HOW TO FAMILY: The Simple Truth About Being Single**1Corinthians 7:21-28, 32-35**

25 Now regarding your question about the young women who are not yet married. I do not have a command from the Lord for them. But the Lord in his mercy has given me wisdom that can be trusted, and I will share it with you. Because of the present CRISIS, I think it is best to remain as you are. If you have a wife, do not seek to end the marriage. If you do not have a wife, do not seek to get married. But if you do get married, it is not a sin. And if a young woman gets married, it is not a sin. However, those who get married at this time will have troubles, and I am trying to spare you those problems.

32 I want you to be free from the concerns of this life. An unmarried man can spend his time doing the Lord's work and thinking how to please him. But a married man has to think about his earthly responsibilities and how to please his wife. His interests are divided. In the same way, a woman who is no longer married or has never been married can be devoted to the Lord and holy in body and in spirit. But a married woman has to think about her earthly responsibilities and how to please her husband. I am saying this for your benefit, not to place restrictions on you. I want you to do whatever will help you serve the Lord best, with as few distractions as possible.
