

HOW WE BUDGET

Everyone who invests his or her heart, time, families, and finances in the building of a local church deserves to have confidence in church leadership. We choose to model integrity and generosity in the way we budget and handle finances.

These are our guidelines for budgeting:

10% of our budget is given to Compassion Ministries, Church Planting & Missions.

35% is for building & facility rentals.

35% for staff salaries.

20% is for ministry & operational expense.

Each year we will create the budget from 90% of the previous years contributions. This will enable us to create margin & savings as we grow each year.

If you have questions about giving or our budget please email Pastor Mike at mike@cotlakes.com.
