Pt. 5 – Be Transformed 11/15/26

The Journey of Transformation

Small Group Discussion Questions

1. What initially grabs your attention? What questions or thoughts come to mind?

2. Who and what is involved in the process of sanctification? Explain.

3. How does sanctification differ from justification? How about glorification?

4. What does it mean to present our bodies as living sacrifices? How is this worshiping God? How do we go about doing it?

5. Transformed means to change into something different. The Holy Spirit changes us from the inside out to be more like Christ. Discuss how this happens.

6. What is needed from us to help make those changes?

7. Can real change happen without biblical community? Why or why not?

8. Change is often difficult: Where are you getting stuck in this process? Why do you think this is happening?

9. What changes would you like to see in your life as a result of what you've learned?

10. How can your small group pray for you?
