THE LAST DAYS AND YOU

Looking back at your notes from this week's teaching, was there anything that particularly caught your attention, challenged or confused you?

1. Read 2 Timothy 2:3-4. How would you move to be engaged in the culture without being entangled with the affairs of this life?

2. Read Matthew 5:14-16. How do you make sure the light you are shining is light that leads instead of light that blinds causing people to look away?

3. Are you utilizing what Jesus has entrusted to you? In what ways can you more fully exercise what He has given you to bring light and life to the people in the world around you?
