

Summer Missions Spotlight

***Utah
June 24 - July 1, 2023***

Mission Trip Overview

In 2005, Beech Haven built a worship center for New Beginnings Baptist Church in Panguitch, Utah. Previously, they used a trailer for meeting space.

In the following years, the church rebranded as Valley Christian Fellowship while remaining a Southern Baptist Church.

Mission Trip Overview

The church has been without a pastor for almost 3 years. The housing market has boomed and though 2 different pastors were willing to come, they were unable to afford housing.

Beech Haven has been asked to provide a mission team to construct a parsonage, along with other teams from across the US. Their plan is to have the home finished in August. We will also conduct a Summer Fun Sports Camp for children in Panguitch and the surrounding communities. Other helping hands projects, evangelism training for their church family and community outreach will take place. The Beech Haven Mission Team will be sharing a message during their Sunday worship service as well!
