# A LETTER FROM BRO. SAM

In the month of June, I was able to go on the Student Mission Trip to Belize. WOW! Flint Baptist Church is so blessed to have such great students and leaders. I was overwhelmed. It was probably one of the best Mission Trips I have ever had the opportunity to join.

But I reminded myself that when I got back, I wanted to say an extra special thank you to our Bus Drivers. The folks that work with our Transportation Committee have gone over and above the call of duty to transport numerous mission teams and ministries to their destination.

These drivers always have a great attitude. They are flexible when a challenge pops up, and they are great servants for Christ and our church.

On behalf of Flint Baptist Church, and all those that you have delivered safe and sound...thank you! To all our drivers, whether by bus or golf cart, we don't say it enough, but you are loved!

Blessings,

*Bro. Sam*

### EMERGENCY RESPONSE TEAM

*I love to be able to use my nursing skills to help my church family during a medical emergency. It is truly a blessing to minister and be the hands & feet” - Debe H*

Have you wondered about those people you see in the red vests? Flint has a medical emergency response team in place to assist our congregation as they find themselves with an injury or sudden illness while on campus. As our church has grown, our team has worked on having necessary equipment and training to handle a variety of situations. We work closely with our security team to provide a safe environment and rapid response from EMS as needed.

How can you help? Contact the nearest security team member in the event of an emergency, and they will notify us—follow all instructions provided by your teacher or security team. We will call for EMS as we will be able to communicate the information needed by them and finally—keep a clear pathway for EMS response.

### USHER MINISTRY

*“Volunteering in the Usher Ministry is such a rewarding experience because it gives us the opportunity to meet and welcome not only visitors, but members as well. It is a wonderful opportunity to make everyone feel welcome and to show how glad we are that they are with us at Flint Baptist Church. We are also available to help them find the best seating for their family.” - Usher*

## FINANCIAL PEACE UNIVERSITY

Financial Peace University is a life-changing class that teaches us how to manage money according to biblical principles. Offered here at our church, this course—developed by Dave Ramsey—provides practical tools to help individuals and families take control of their finances, eliminate debt, and create a plan for long-term financial freedom. Whether you're struggling to make ends meet or simply looking to fine-tune your financial habits, Financial Peace offers a step-by-step plan grounded in God's truth.

Through the nine-week course, participants will learn how to budget effectively, build an emergency fund, and make wise choices about spending, saving, and giving. The class also addresses planning for major life goals like funding your children's education and preparing for retirement. More than just a money class, Financial Peace helps cultivate peace of mind and the freedom to live generously. We invite you to join us as we seek to honor God with every dollar He entrusts to us.

# FLINT STUDENTS

## I Love the Bible Series

Our students recently wrapped up a series called I Love the Bible, a deep dive into what it really means to engage with God's Word. Each week focused on real stories, biblical truth, and practical ways to read and apply Scripture. It was an honest, helpful series that encouraged students to approach the Bible with confidence and curiosity, and to see it as something personal and life-giving.

*"Take a moment to make a list of what is most precious to you. Really think about it. Is the almighty, God-breathed, inerrant Word of God anywhere near the top of that list? Throughout our Wednesday night ILTB series, FSM leaders have faithfully poured out the truth of God's holy and precious Word to every student who walks through the youth building doors. As Alysha reminded us one week: just as a cow cannot produce milk without ruminating, we cannot bear the fruit of the Spirit unless we meditate on God's Word daily. We know that the Bible is forever alive and active, so why do we often treat it as anything less than the treasure it is? I absolutely LOVED getting to learn more about God's precious gift to us of His word through this series! I LOVE THE BIBLE!!!" - Samantha J*

# FAMILY MINISTRY

## FLINT BUDDIES

**“Whatever you did for one of the least of these brothers and sisters of mine, you did for Me.” Matthew 25:40**

Every Sunday morning, families enter our worship center carrying more than their Bibles—they carry the weight of raising a child with special needs. For these families, Flint Buddies is a lifeline. This ministry provides a loving, secure environment where children with unique needs are embraced, cared for, and introduced to the love of God—while their parents and siblings can fully engage in worship and Bible study.

For the Stanley family, Flint Buddies was the reason they first walked through our doors. “We came to Flint Baptist because our son Jackson had a place to go,” said Mrs. Stephanie Stanley. “It is such a blessing to see adults and teens love on Jackson. Because of his unique needs, he doesn’t have many friends—but the volunteers in Flint Buddies have given him a place to belong.”

But the impact didn’t stop there. In 2021, both of the Stanleys’ daughters accepted Christ and were baptized at Flint. None of it, they say, would have happened without the faithful ministry of Flint Buddies and its incredible volunteers.

### ONE2ONE DISCIPLESHIP

"I signed up for the One2one program, looking for connection and knowledge, not truly understanding all I was in for. It wasn't long after meeting my mentor that I gave her a glimpse of what SHE was in for.

After meeting me once, maybe twice, she was left consoling a shell of a person, wrapped up in stress and chaos, not so gracefully crying in the sanctuary over a broken marriage. As confused as I was, feeling defeated by life, yet overwhelmed by God; She was not. She was armed with God's truth and ready to help me find it.

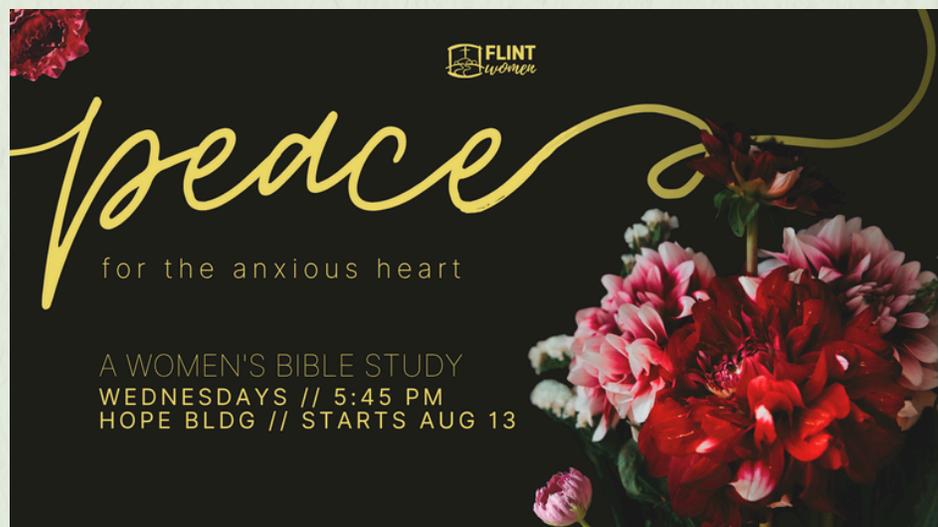

It's been just over a year since then. As we noticed the anniversary of our meeting, she recalled that moment to me. She reminded me of how far God has brought me.

As many blessings as I've had over this past year - My marriage specifically, has been completely transformed.

I'm living in answered prayers, ones I have prayed for many years. As I truly sat and thought about it, God has transformed so much more than my marriage.

Getting to learn and grow with such a beautiful (and I mean Godly beauty, shoutout Women 101) example of a woman has altered my thinking, my direction, and my heart. I can say with confidence that I wouldn't be where I am today without her. Time with her has and will continue to change, not just my life, but the lives of generations to come. What a blessing this ministry is."

MEN

## MIRACULOUS MOVING AMONGST MEN

### MEN'S DISCIPLESHIP

God continues to do amazing things in the lives of men of Flint Baptist Church. Over the past year, many men have joined the Man2Man discipleship efforts. Many of them are discovering the incredible blessing of having another man walk through life to help guide them in their walk with the Lord.

Many of these men are doing something like this for the first time in their adult lives. However, perhaps none has been more impactful than one group of men that met in Terry Dennis' home. These five men worked through the *Experiencing God* small group Bible Study. One of the participants was a professed ex-satanist that had converted to Christianity.

As God moved in and through their weekly time together, God laid upon his heart that he was to take the message of the Gospel back to some of his friends in the satanic community and even considered starting an *Experiencing God* small group of his own from what he had learned.

What Satan had intended for evil in his life, God had planned to use for His purpose of bringing the lost into saving knowledge of our Lord. **If you are a man that is seeking to know God in a more personal and intimate way maybe Man2Man is for you.**

Did you know that you can make a contribution to go directly toward the principal on the Worship Center loan? In Exodus 35:29, Moses encouraged the Israelites to bring freewill offerings for the work of the Lord.

**“All the men and women, the people of Israel, whose heart moved them to bring anything for the work that the LORD had commanded by Moses to be done, brought it as a freewill offering to the LORD.”**

If the Lord lays it on your heart to give you can go to “Give” at [flintbc.net](https://flintbc.net) and select “Worship Center Debt Reduction” or use the QR code!
