TO THE FAMILY AT HOME CHURCH,

Thank you for being a part of what God is doing at Home Church. I want to invite you to join me and the whole Home Church family - on a journey. This booklet is your guide to our GROW initiative.

God has been so faithful to us. From very humble beginnings in a makeshift tent (complete with weekly visits from local livestock and pets), through amazing changes and growth, through all the weirdness of Covid, and the rebuilding that came after - He has been faithful to His promise to never leave us or forsake us. In every chapter, in every season, God has been with us - giving us vision, and mission, and the resources to fulfill them. He has done it largely through you, His faithful people. He's called each of us, to find our place here, to find community here, to find our ministry here - and to GROW.

In 2024, just as He did with Abraham, Sarah, Jacob, and Peter - God gave us a new name. A name that describes who we are and who He's calling us to be - Home Church. Along with that identity, He clarified our mission to help people: Find the Father. Experience the Kingdom. Look more like Jesus. Every day.

Our identity and our mission call for us to GROW to further ministry, to GROW to engage our community, and to GROW to impact the Kingdom.

This is a defining moment in the life of Home Church. This GROW Initiative is our opportunity to rally around our identity, our mission, and our vision like never before, and to see God GROW each of us as He grows our church's impact on our community and His kingdom! In order to get there, we need you! Here's what I'm asking you to do over this exciting, and critical season:

- Clear your calendar and plan to join us for all five weeks of our GROW message series starting January 19. Bring this guide with you!
- Get plugged into a group! Most of our groups will be discussing, and praying through this super-important topic.
- Prayerfully read through this material and begin to ask God how He wants to GROW you - your faith, your obedience, your generosity - through this initiative.
- Be open to ways God wants to teach you, transform you, and use you for His Kingdom.

LET'S GROW!

HOME CHURCH HISTORY

2006

Home Church started out as Community Bible Church Bulverde (MYCBCB) in October 2006 as a "satellite" church plant of Community Bible Church in San Antonio. Our initial services were held in a tent behind the Loft coffee shop, on Highway 281. The initial few months of our history were characterized by....cold. The side flaps of the tent would blow up in the wind. A resident cat would take to the stage during the sermon to demonstrate thorough grooming techniques. The 20 to 30 people who attended always had something to laugh about.

2007

Rapid growth soon changed the venue, but not the spirit. In early 2007, God provided an even better location in the Crossroads Building, located next to the old EMS station across the highway. With 50-75 regular attendees, we pitched in to clean, paint, install baseboard, vacuum, and set up chairs. Over the next two years, we grew to two services and a committed group of believers.

2009

Continued growth led our church to our current location in Spring Branch. On Sundays, we celebrated Jesus together, heard the Word, and loved each other in the main congregations. Throughout the week we met in smaller life groups to deepen our relationships with God and with each other.

2019

We began to feel the limitations of our facility as we were quickly reaching capacity in our sanctuary, kids' classrooms, group spaces, parking lot, and even septic system. This prompted our elders and church leaders to start identifying the long-term solutions that would allow us to continue to grow.

The issues we identified at this time became less of an issue when the covid pandemic happened. Even though the issues were no longer present, our church leaders continued to thoroughly seek out long-term solutions for future church growth.

2025

After years of praying and consulting with engineers, architects, TxDOT, Comal County, and every other professional needed to make this God-sized vision happen — we have a solid plan and we foresee being able to break ground in the Spring of 2025!

2024

At the beginning of 2024, we were proud to announce our church's new name and the mission that God has led our church to pursue.

We are Home Church. We exist to help people:

Find The Father.

Experience The Kingdom.

Look More Like Jesus.

Every Day.

2023

As MYCBCB continued to grow, we felt God calling us to our next chapter – as willing as we were to follow His call, we didn't quite know where that was. After a year of prayer, God revealed to us through His people, who He is calling us to be and what He's calling us to do.

2021

We completed our "Mortgage Bash" campaign and completely paid off our mortgage in July 2021, celebrated by Larry burning our mortgage on stage! As a result of paying off our mortgage early, we were able to increase our budget for our Outreach Ministry!

PRIMARY GOAL:

OUR PRIMARY GOAL THROUGH GROW IS THAT 100% OF PEOPLE AT HOME CHURCH WOULD ENGAGE IN THIS INITIATIVE TO EXPERIENCE A LIFE-CHANGING ENCOUNTER WITH GOD.

We are asking every person who calls this church “Home” to GROW as we step out in faith together to pursue who God has called us to be and do what God calls us to do. Our hope is that all of us are praying, committing, serving, leading, giving generously, and supporting this exciting new initiative. If everyone does 100% of what God asks them to do, we will all GROW as Jesus followers and accomplish everything God has for us.

HOW WILL YOU RESPOND?

We are asking you to go on a spiritual journey with God and your family - to trust Him, and to grow you as you take the biggest steps of generosity you’ve ever taken.

1. PRAY

Consistently pray that God would move in everyone’s heart to seek God fearlessly, follow Him courageously, and GROW in generosity (i.e. look more like Jesus). Pray that God would multiply our efforts to connect people to Him, help them GROW in their faith, and serve our community. Pray that He would do abundantly more than we can ask, dream, or imagine.

My prayer for GROW is:

2. COMMIT FULLY

Commit to taking this journey with us to seek God and do whatever He asks so that, together, we can achieve 100% engagement in our GROW Initiative.

My commitment for GROW is:

3. GROW INTENTIONALLY

Attend each Sunday from January 19 through February 16. Engage in one of our GROW groups. Learn all you can about God’s heart and will for you and your resources.

I can GROW intentionally through this initiative by:

4. GIVE GENEROUSLY

Ask God what it looks like to give in a way that transforms you, then take whatever steps are necessary to obey Him.

I can GROW in generosity by:

WEEK 1 SERMON NOTES

GROW: WEEK 1

Generosity 101

Acts 20:35, 1 Timothy 6:6

Jesus was the most counter-intuitive teacher in history. This week we will dive into His controversial teaching with a look at a biblical view of generosity. Jesus said, "It is more blessed to give than to receive" (Acts 20:35). How is it possible that it's more blessed to give than receive? How is generosity a part of "the good life" we, as believers, seek?

[illegible]This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

WEEKLY PRAYER & REFLECTION:

MONDAY: "Give, and it will be given to you; a good measure – pressed down, shaken together, and running over – will be poured into your lap. For with the measure you use, it will be measured back to you." Luke 6:38

Prayer & Reflection: How is your attitude regarding giving reflected in your life? Does it mirror what Jesus taught? Ask God to reveal to you an honest perspective on where your attitude lies when it comes to giving.

TUESDAY: "He himself said, "It is more blessed to give than to receive."" Acts 20:35

Prayer & Reflection: Can you think of a time when this verse was true in your life? Has there ever been a time when you felt more blessed in your generosity than had you received it instead? Spend some time reflecting on and thanking God for the moments in your life when you've been blessed to receive his blessings but also for the moments when you've been a blessing through your gifts.

WEDNESDAY: Each Wednesday we are asking everyone to take some time to be in prayer for the church and a specific area where we need some prayers with our pending renovations and changes happening at Home Church.

This week we are asking everyone to pray for unity as our elders and staff navigate all of the decisions we face daily in mapping out a plan for our future expansion. There's a lot that goes into this initiative and into planning and we are in need of your prayers to keep us together.

THURSDAY: "Love one another deeply as brothers and sisters. Take the lead in honoring one another." Romans 12:10

Prayer & Reflection: When you read this, what does loving and honoring one another mean to you? How can you honor someone? Today, ask God to give you clarity on how you are doing with loving others and ask Him to show you how you can be loving more like Jesus.

FRIDAY: "He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love." Ephesians 4:16

Prayer & Reflection: It's nearly impossible to read the Bible and not come away with the understanding that, in order to experience Heaven here on earth, the body of Christ has to come together and use the strengths God has given them. Take some time today and pay attention to what your "special work" might be. Take some time to look around and notice the "special work" those in your life might have. Give God a chance to answer this tough question: What intentional effort can I make to work together with the body of Christ? Thank Him, today, for making you exactly how He wanted you to be.

SATURDAY: In light of what Larry preached and what you read this week: What does generosity mean to you? How do you balance Jesus' teaching with your values and life choices?

Prayer & Reflection: Jesus, I want to be generous and strong and I want your ways to be my ways... but it's hard. Help me today have the strength to intentionally align my life with your life. Help me look for those who need my generosity and help me have the courage to be generous in a world that doesn't award generosity. Amen.

WEEK 2 SERMON NOTES

GROW: WEEK 2

The Dark Side: Money & Mammon

Matthew 6:19-24, Matthew 19:23-26

This week we will take a look at Jesus' statement that "No one can serve two masters." (Matt 6:24). Jesus seemed to see money as way more than just a medium of exchange that we can just use for our pleasure at our pleasure. He saw money as not only having value in this world, but also having the dangerous potential to turn us away from God, and from each other. But how?

[illegible][illegible]

WEEKLY PRAYER & REFLECTION:

MONDAY: "Instruct those who are rich in the present age not to be arrogant or to set their hope on the uncertainty of wealth, but on God, who richly provides us with all things to enjoy. Instruct them to do what is good, to be rich in good works, to be generous and willing to share, storing up treasure for themselves as a good foundation for the coming age, so that they may take hold of what is truly life." 1 Timothy 6:17-19

Prayer & Reflection: Everyone needs money. Even the most basic of lifestyles requires funds. But how do we look at riches from God's perspective and not the one the world insists we follow? What roadblocks stand in the way of shifting our worldly perspective to God's? Why does the idea of serving God and not money seem so easy but when it comes to living it out becomes so difficult? Today, ask God to give you a seemingly impossible willingness to not let money be such a driving force for how you live and for His peace to bring you the comfort so many of us look to find in money. Don't be ashamed if this is a tough one to pray. It is for everyone.

TUESDAY: "For where your treasure is your heart will be also." Luke 12:34/
Matthew 6:21

Prayer & Reflection: Ouch! A subtle gut punch from Jesus. So where is your treasure? Where do you want it to be? Give yourself five minutes today to really be honest with yourself about these questions. If you come to a conclusion that doesn't seem like it's one you'd be too excited to share with Jesus just lay it down at his feet. Ask Him to help you get back on track with your heart's alignment. This isn't going to be easy and you can't do it alone. Go to Him. If you're happy with your answer to those questions give God a praise of thanks!

WEDNESDAY: This week, for your 'pray for the church' prayer time, we are asking you to pray for clarity and discernment for our staff and elders as we work to seek out God's plan in how we proceed with upcoming changes. We don't want this initiative to be a result of what we want to happen, we want it to be a result of what we are called to do and what God wants to happen. It would mean a ton to us if you could set some time aside today to pray for a clear vision of what needs to be done next.

THURSDAY: "Whoever loves money never has enough; whoever loves wealth is never satisfied with their income. This too is meaningless." Ecclesiastes 5:10

Prayer & Reflection: Ok. We're starting to feel guilty now, right? This little verse packs a big punch. I wonder how this verse speaks to you differently now than maybe it did, say, five years ago? What about 20? What does loving money mean to you? If it's meaningless and never satisfying then why is it so helpful? Is it ok that it's helpful? I need an advil!

Today, during your prayer time, just simply be present and open to hearing from God. Don't ask Him for anything. Don't demand anything. Simply be present in the moment. Prayer doesn't always have to be transactional. Sometimes it's good, when we're stressed, to just be with God being with us.

FRIDAY: "Keep your lives free from the love of money and be content with what you have, because God has said, "Never will I leave you; never will I forsake you."" Hebrews 13:5

Prayer & Reflection: It's easy to get swept up in the instructions of that first line but today let's take some time to look at that second line: "never will I leave you; never will I forsake you." God said that second line. For you. Do you believe it? Have you ever felt like it wasn't true? Give yourself about two minutes to really think about moments in your life where you believed that line to be true. Moments when it seemed dire but God came through and stayed by you. Sometimes it's easy to just get caught up in living for God to notice how good we are doing and we forget that He has been with us the whole time. Maybe you can't see those moments. Maybe it feels like He hasn't been there. If that's you, give that anger to Him today. Lamenting is biblical and healthy and sometimes the way in which God opens up our eyes to something new about Him we hadn't seen.

SATURDAY: In light of what Larry preached and what you read this week: How can our focus on money negatively impact our relationships with God and others?

Prayer & Reflection: Talking about money isn't all that fun. Especially when we start to get a clear picture of what the Bible says about us and just how different it is from the perspective we've been shaped to have. Don't run from that! Stay in it. Find some time this weekend to have moments where you choose to be content with allowing money to be a necessity of your life without being a source of identity. Pray for God to give you discernment in your navigation of balancing your newfound Godly perspective in a world of un-godliness.

WEEK 3 SERMON NOTES

GROW: WEEK 3

Stewardship vs Ownership

Psalm 24:1, Luke 12:35-48

Everything belongs to God and everything we “have” is a gift from God. Stewardship is about us managing God’s blessings for God’s purposes. For week three we will examine the three basic components of the biblical theology of stewardship and look at what our role is with the blessings God gives us.

This image shows a full page of blank, lined paper. It features approximately 20 horizontal blue lines spaced evenly across the page, typical of standard notebook paper. The lines are thin and light blue, set against a plain white background. There are no margins, text, or other markings on the page.This image shows a single page of white paper with horizontal blue lines. The lines are evenly spaced and run across the width of the page, typical of notebook or lined paper. There are no margins, text, or other markings on the page.

WEEKLY PRAYER & REFLECTION:

MONDAY: “Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.” 2 Corinthians 9:6-8

Prayer & Reflection: It’s easy to just equate this passage with money but it’s important to recognize that generosity is far more than what we give financially. And, according to Paul, the more we give the more we get back. So does that mean we give so we can get? Or is the generosity we reap something more? Find some time today to reflect on these questions and go to God and ask Him to reveal if your generosity is given sparingly or generously and ask Him to reveal ways to be more generous...for the right reasons (not earthly gain).

TUESDAY: “A generous person will prosper.” Proverbs 11:25

Prayer & Reflection: This proverb is, on the surface, easy to understand. But why would giving away things help make us prosperous? Shouldn’t it be the opposite? Take five today to really think about why there is so much talk about generosity in the Bible. Why does God care so much that we are generous? Spend some time today in prayer giving God your questions. Let’s see if He reveals something new to you today about generosity you hadn’t thought about before.

WEDNESDAY: Anyone who has taken on anything similar to what we are doing with this initiative and future expansion knows there are obstacles everywhere. We would love it if you would take five minutes today to pray for us in how we manage and overcome those obstacles. Pray for wisdom to navigate and, like we said in week one, pray for unity as we seek answers to overcome.

THURSDAY: “Whatever is good and perfect is a gift coming down to us from God our Father, who created all the lights in the heavens. He never changes or casts a shifting shadow.” James 1:17

Prayer & Reflection: The immutability of God is not the attribute you probably think about the most when you think of God. After all, a God who never changes isn’t quite as fun to think about as an eternal God or an all-knowing God. But there’s just something about the consistency of God that brings peace in our ever-changing world. Today, take some time to thank God for being the same yesterday, today, and tomorrow and find some time in your schedule to reflect on the many gifts He has blessed you with in your life.

FRIDAY: “If you start thinking to yourselves, “I did all this. And all by myself. I’m rich. It’s all mine!”—well, think again. Remember that God, your God, gave you the strength to produce all this wealth so as to confirm the covenant that He promised to your ancestors—as it is today.” Deuteronomy 8:18 (MSG)

Prayer & Reflection: This is a message we see in the Old Testament that is not written to us but definitely one that we can see can be beneficial for us. Do you ever get so caught up in your efforts that you forget who gave you the ability to accomplish great things? We all do! Today, simply go to God and tell Him “thanks” for blessing you with abilities to accomplish great things. Challenge yourself, in your prayers, to really ask and listen to God about why He has given you those abilities. How can you bring Him glory here on earth with those abilities? Ask yourself: For what purpose does God give you provision?

SATURDAY: In light of what Larry preached and what you read this week: What does it mean to be a “good” steward of your possessions? How have you seen the concept of sowing and reaping demonstrated in your life?

Prayer & Reflection: Marinate on those two questions as you go about your day today. Reflect on how you are stewarding what God has given you and be prayerful for God to show you ways in which you have seen sowing and reaping demonstrated in your life, good or bad.

WEEK 4 SERMON NOTES

GROW: WEEK 4

Generous "points of view"

Matthew 6:19-34

When it comes to generosity in the big picture of things, what has a real and eternal value? How do we see things through the good eye Jesus talked about? How do we shift our perspective from scarcity to abundance? How do we keep a perspective on the kingdom when dealing with generosity and money? In week four we will look at different ways of seeing money and generosity.

[illegible][illegible]

WEEKLY PRAYER & REFLECTION:

MONDAY: "But seek first the kingdom of God, and His righteousness, and all these things shall be added unto." Matthew 6:33

Prayer & Reflection: As part of His counter-intuitive teaching we see Jesus command us to not do all we can do and get all we can get and then go to God, if we have time, but rather to start with finding God in all we do and then watch the grapes grow from the vine. Wild stuff. An introspective look at priorities is in order as we examine what our priorities look like. Pray today for the courage to put God first in all that you do and to trust that provision comes from Him.

TUESDAY: "Therefore, encourage one another and build one another up, just as you are doing." 1 Thessalonians 5:11

Prayer & Reflection: It is so easy, for the best of believers, to get caught up in just taking care of ourselves. Even if intentions are holy and pure, having a self-first mentality just doesn't work in this upside-down kingdom. We need each other. So find some quiet time today to pray and really reflect on ways that you can seek out and help someone else today. Maybe it's just a word of encouragement. Maybe it's an offered prayer. Maybe it's an ear just to listen. Whatever it might be, allow God space, today, to reveal it to you.

WEDNESDAY: Like we mentioned, as we get closer to the actual construction of new and renovated space, there are obstacles to overcome. Wisdom, discernment, and clarity are all necessary to proceed. However, one overlooked skill we are gonna need help with is creativity in our phasing of changes (What are we gonna do if half our parking lot is gone? What if we don't have power when we move portables? What will we do with kids if we don't have a playground?). Your prayers today to help our leaders get creative and turn trouble situations into opportunity is of paramount importance and so appreciated.

THURSDAY: "For God so loved the world; He gave His one and only Son, so that everyone who believes in Him will not perish but have eternal life." John 3:16

Prayer & Reflection: What a sacrifice! Most of us would never consider sacrificing a life for someone, let alone our own child. Yet God did it. Sat and watched His perfect Son hang from a tree. And He did it for you and me so that we could be closer to Him. Carve out time today to really thank God for that sacrifice. After you pray, really reflect on a moment in your life when you sacrificed something you loved.

FRIDAY: For these next two Fridays we really want to encourage everyone to block off some time to rest. Jesus' example of keeping a sabbath, in the middle of reshaping history, with only three years of teaching to do it, is inspiring. He stayed grounded and in perfect step with the Father for many reasons, one of those is his willingness to rest. Take some time today (more than usual) to just relax. Have dinner with your family with no phones. Go for a long walk. Do a puzzle. Take a nap. Allow yourself time to clear your mind so you can create more space for God. You won't regret it!

SATURDAY: In light of what Larry preached and what you read this week: What responsibility do we each have to build the kingdom of God? How do we keep an eternal focus as opposed to a temporal focus?

Prayer & Reflection: Construct your own prayer today based on the two questions above. Before you pray, really take some time to think about the role God allows us to play in building the Kingdom of God in heaven and here on earth. Isn't it amazing He chooses to let us be a part of such an amazing story?

MAKING A GROW COMMITMENT

Exercise and reflection to do at home prior to Commitment Sunday

1. List out the financial commitments you currently have—those that go beyond a one-time payment and have a time duration to them. Examples would be a home mortgage, a lease agreement, a car loan, a cell phone contract, your child’s tuition for school, your own tuition for school, etc.
2. Now, write out the commitment you are planning to make for Grow. Where does it fall in the priority of these other commitments? Do you need to change or modify one or more of these other commitments in order to be able to fulfill your Grow commitment? What if you wanted to raise your Grow commitment? What would that require? Is there a financial commitment you currently have that appears to be prioritized above your ability to make a truly surrendered giving commitment? With your current priorities, are you fully engaged with God’s mission of helping people take their next step with Christ?
3. If someone who didn’t know you looked at your financial commitments, what would they say you value?
4. Would that statement be true about you? Or, is there something that needs to be explained or modified?
5. If you keep this commitment over the next two years, what spiritual transformation will occur in you?
6. How will you leverage this change to influence others such as your children, your co-workers, your friends, your family, or others in your circles of influence?

Pray over your commitment as you prepare to fill out your card on Commitment Sunday, February 16. Prayer is the most important thing in this whole process, and prayer is what gives us the bold heart of Christ within us.

Let’s do this! Let’s be people boldly surrendering themselves to God in every area of their lives and declaring, “I’m Growing!”

WEEK 5 SERMON NOTES

GROW: WEEK 5

Sacrificial Generosity

Romans 5:8-11, Mark 12:41-44, 2 Samuel 24:18-24

God doesn't see our tithe and offerings as a way to fill His needs, because God doesn't need anything. God sees and values our generosity as an indication of our love and devotion to Him and His purpose. Christ-like generosity has less to do with how much you give, and everything to do with how much it costs. For week five we will look at how following Jesus in generosity isn't about giving large amounts, it's about making real sacrifices.

[illegible][illegible]

WEEKLY PRAYER & REFLECTION:

MONDAY: "Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God." Hebrews 13:16

Prayer & Reflection: Ugh. Sacrifice is the worst! Yet, we see that word all over scripture. God must be up to something big when it comes to us sharing and giving up things we care about. But why? Why does that please God so much? In your prayer time today, really seek to know God's heart and think of why sharing with others is so important to God. Ask Him to reveal something new to you about a sacrifice you may never have considered.

TUESDAY: "And He looked up and saw the rich putting their gifts into the treasury, and He saw also a certain poor widow putting in two mites. So He said, 'Truly I say to you that this poor widow has put in more than all; for all these out of their abundance have put in offerings for God, but she out of her poverty put in all that she had.'" Luke 21:1-4

Prayer & Reflection: A mite was a very small denomination of currency. Yet in this passage, we see Jesus insist that the small amount given by the widow was greater than the sum of that which the rich gave. Why? Because it was a true sacrifice. She needed that money to live but gave it up as a sacrifice. Amazing! What does it mean to you to give out of your need? Have you ever done it? What was the result? Why would this story be in the Bible? How does it pertain to you? Ask God to help you discover some answers to those questions today.

WEDNESDAY: Warning: Full transparency coming. One of our biggest fears with the launch of GROW is that it turns into y'all thinking this is just a fundraiser and just about getting your money. So today we are asking you to set aside some time to pray that the true heart of all of this, Christ-like generosity, remains at the forefront of all that we are doing through this campaign. If we raise what we are trying to raise but don't build up disciples who are truly looking like Jesus in their motives then we aren't doing what we are called to do. Our prayer is for 1 Corinthians 13:3 to be our guide. "If I gave everything I have to the poor and even sacrificed my body, I could boast about it; but if I didn't love others, I would have gained nothing."

THURSDAY: "Your kingdom come, your will be done, on earth as it is in heaven." Matthew 6:10

Prayer & Reflection: Most of us think of the future and a place not on earth when we think of heaven but in Matthew we see Him flip things and ask God to make His kingdom of heaven available here on earth. What a concept. I wonder how different all our lives would look if we truly sought to discover the Kingdom of heaven in our everyday lives. Go to God today in prayer and dare to pray the prayer Jesus taught His disciples to pray. Pray for the will of God and the Kingdom of God to find its way here on earth just like it is in heaven. Pray that God will reveal your role in making that happen.

FRIDAY: Remember, we are asking you to take some sort of sabbath (break) today. In your time of doing nothing, if you can, find a quiet spot inside or outside, and try something kinda weird. Who's up for something weird? Take a deep breath in and with that breath in, think of something that is holding you back or weighing you down in your life. Then, hold your breath, and as you do say this prayer: "God, today I am giving this to you." Slowly breathe out that breath you have been holding and while you do that think of releasing that weight to God. Do this five times with the same thing over and over or something new each time. It's a great intentional way to give to God the things that are keeping us from Him. Weird, right?

SATURDAY: We are so thankful you took this journey with us this past five weeks. Our hearts are full of gratitude for God putting you here at Home Church for a time such as this. Our last day of prayer in this initiative feels like it can only end with one kind of prayer: A prayer of thanks. We highly recommend everyone open their Bible to Psalm 95 and let that be your guide in giving thanks to our Creator who has been so, so good to this little church and the people inside who make it GROW.

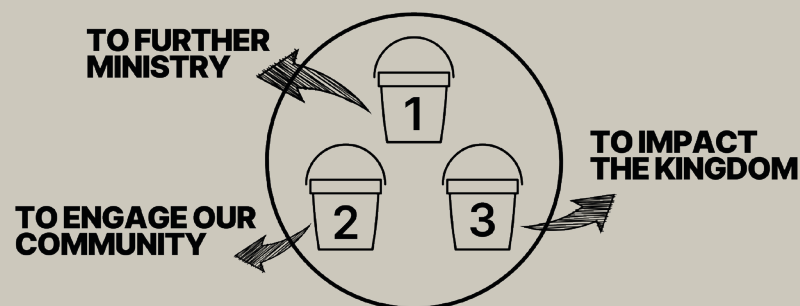

ONE FUND INITIATIVE

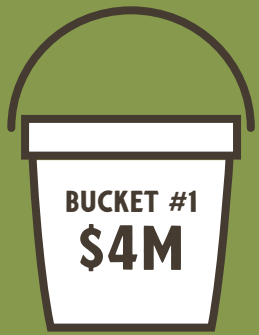

You may have been part of church campaigns in the past where you were asked to give a second gift "above and beyond" your usual gifts to complete special projects. At Home Church, these have been used to make new buildings and ministries possible. Normally, you gave that gift to the "Building Fund" and you also continued to give to the "General Fund." This type of giving is potentially confusing to people who either don't have a baseline for their "usual giving" or who aren't able to really celebrate the total giving at Home Church in one single number. We believe we're all on ONE MISSION—to help people: Find the Father. Experience the Kingdom. Look more like Jesus. Every day.

The Grow Initiative will last two years. In those two years, every gift given to Home Church will go to the Grow Initiative—to help us Grow to further ministry, engage our community, and impact the Kingdom.

We've included an example of a commitment card on page 27 so you can see how a "One Fund initiative" works. You'll receive an official commitment card to fill out on **Commitment Sunday, February 16.**

ONE VISION - TWO YEARS - THREE BUCKETS

GROW: TO FURTHER MINISTRY

We are committed to never stop moving forward as a church. We are committed to continuing the attack on Home Church's world-wide mission while providing opportunities for kids, students, and adults to GROW in learning, worship, service, prayer, and relationships with the Father and with each other.

If you've gone to Home Church long enough, you know we take a lot of pride in making all of those things happen. The part that you probably don't think about much (largely because Larry never talks about it) is that, in order to operate at this high level we strive for, financial resources are needed. Things like insurance, staffing, equipment, Bibles, electricity, septic pumping, crayons, etc are needed. It's a beautiful thing how many crayons we need to reach all of the kiddos we serve each week but crayons cost something (even when you get the knock off ones like we do).

Bucket #1 will allow us to continue to resource our current annual and week to week ministries' operational budget for the next two years. Nothing fancy. Just keeping things going in a similar manner to how we are currently operating.

GROW: TO ENGAGE OUR COMMUNITY

We have reached some limits in our current facility but we are committed to not overextend ourselves financially by taking on a massive new building project that would take away from what we are currently doing with our Outreach partnerships.

However, we just have to have more space for some of our key ministries and we have to fix up some issues that we can no longer ignore (I'm looking at you, septic system and parking lot).

Right now we are serving around 200 kids a weekend in a space that was designed for about 125. The bottom line is we just need more space for our kids ministry. Safer space. We are trying to disciple our kids as much as we

are trying to disciple their parents so they need more space to learn, worship, play, and grow.

We need more space for our teenagers. Our current youth space triples as a production room and also an office space for several of our staff.

We need more space for our groups. Groups are where a lot of our ministry, growth, and relationships happen. We need more group spaces both indoors and outdoors.

A huge part of this project is to create a community park space where our families, neighbors, and groups can meet and eat and do life together. This park space is an amazing way to offer our neighbors a great place to experience community and, hopefully, discover Jesus in the process. We want this park to be a centerpiece to not only Home Church but this community.

And last and certainly not least, this facility improvement project will also replace our septic system, add bathrooms for adults and kids, and reconfigure and add spaces to our parking lot.

GROW: TO IMPACT THE KINGDOM

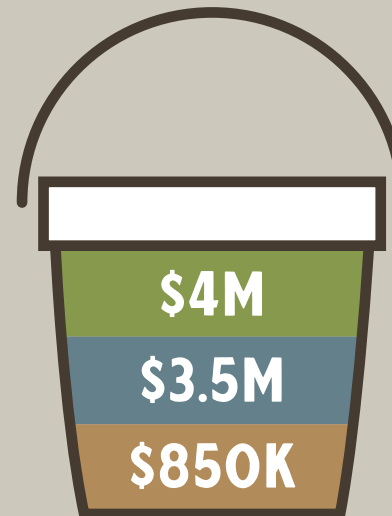

While we do a lot of ministry inside of the four walls of our little church, we do A LOT of ministry outside those church walls.

We have a steady group of strategic ministry partners we collaborate with in order to help others not at Home Church achieve our mission to: Find the Father. Experience the Kingdom. Look more like Jesus. Every day. We even have in-house ministries, like Shared Blessings, providing groceries to upwards of 120 families each week.

We work with local church plants to provide them with resources to help their people. We partner with and plant churches in India (over 200). We have partners who educate children on the dangers of commercial sex trafficking and help rehabilitate those who have been trapped in it. We have partners working with the most vulnerable kids caught up in the foster care system by finding them homes and keeping them safe. We have partners educating parents on ways to keep their kids safe online and strengthening families through open communication. We have partners starting underground prayer houses in Vietnam. We have partners tending to the needs of the overlooked elderly community. We have partners helping girls struggling with crisis pregnancies. We have groups dedicated to getting people back on their feet financially. There are too many partners to list here but all of our partners are doing the work they are doing in Jesus' name and we are blessed to walk alongside them in collaboration.

As a church we feel called to increase our generosity with all of our ministry partners by providing more resources to help them show Jesus to those they are serving.

In addition to all of that we have going on with our Outreach ministry, we are prayerfully planning to launch our own local church plant in the next 2-3 years. This will be a way for us to further the Kingdom in a way we feel looks more like how we, Home Church, have been called to grow.

**TOTAL
GROW GOAL:
\$8,350,000**

PRIMARY GOAL:

100% ENGAGEMENT

We are asking every person who calls this church "Home" to GROW as we step out in faith together to pursue who God has called us to be and do what God calls us to do. Our hope is that all of us are praying, committing, serving, leading, giving generously, and supporting this exciting new initiative. If everyone does 100% of what God asks them to do, we will all GROW as Jesus followers and accomplish everything God has for us.

SECONDARY GOAL:

\$8.35M IN GENEROSITY

We are encouraging everyone to seek and follow God about investing financially in the mission of Home Church. We are asking God to GROW people in generosity and fund our ministries, facility improvements, and expanding outreach. God has already done a lot in and through our church and we're trusting Him for so much more!

GROWING IN GENEROSITY

These *stages of generosity growth* focus on the behaviors and attitudes of our hearts- our discipleship - rather than on amounts or percentages. Each step represents growth in a lifestyle of generosity that transforms us, and makes us more like our rabbi - Jesus, who gave up *everything* for us.

INITIAL GIVER

The Initial Giver asks and answers the question: "As a follower of Christ, shall I give?"

CONSISTENT GIVER

A Consistent Giver is someone who commits to give something on a regular basis. Consistent Givers start to think of their giving in the same way they think about other budget expenses that are always paid, regardless of seasons of plenty or want. They often set up an online recurring gift to help.

LIFETIME GIVER

A Lifetime Giver is someone who thinks about the long-term effects of generosity rather than month-to-month, or even year-to-year, generosity. A Lifetime Giver makes decisions in the short-term that have longer-term effects as it relates to their generosity capacity. They think of what home they buy, what car they purchase, and how much savings they choose to keep all in relation to their generosity capacity. A Lifetime Giver might be someone who has a lifetime giving goal that governs their larger-ticket decisions. Much like an Intentional Giver makes a commitment that will govern his/her monthly and annual decisions, a Lifetime Giver makes a lifetime or longer-term giving commitment that governs his/her larger-item purchases like homes, cars, investments, etc.

INTENTIONAL GIVER

Intentional Givers think about giving in relation to other things they spend their money on: "Why do I give the cable company or my cell provider more money than I give to God?" They consider a percentage or amount they want to commit to in order to consciously grow in their generosity. Intentional Givers look at their budget and consider how their giving reflects their view of God and commitment to His Kingdom. This may also be the point when someone begins to tithe, which is being intentional about a certain amount or percentage that they want to give to God. An Intentional Giver gives in a way that changes them, choosing to trust God completely.

SACRIFICIAL GIVER

A Sacrificial Giver is someone who is committed to sacrificially honoring God with their giving and spending priorities. Their giving governs their spending rather than their spending governing their giving. A Sacrificial Giver gives up things they *love* for things they love *even more*.

CREATIVE WAYS TO GIVE

You can take steps toward to being more generous - beyond just writing a bigger check and without having to sell a kidney. Below are a few ideas to consider when looking to grow in your generosity!

1. EMPLOYER MATCHING CONTRIBUTIONS:

A great option to expand your giving is to check if your employer offers a charitable giving matching program. Many companies, large and small, offer matching donations up to certain limits. You could potentially double the impact of your donation this way! A few companies that we currently receive donations like this from are USAA, AT&T, Costco, and Pedernales Electric Company.

2. QUALIFIED CHARITABLE DONATION (QCD):

For someone over the age of 70.5 and is required to take Required Minimum Distributions from their retirement accounts, a QCD can be a beneficial option. A QCD allows a person to make a direct charitable donation from their retirement accounts, tax free. If over the age of 73, the donation can count toward their required minimum distribution amount. Consult your tax advisor to see how this might be a beneficial option for you to expand your giving.

3. STOCK DONATIONS:

For someone who has built an investment portfolio, donating individual stocks or securities can be beneficial to the donor. By donating securities, the donor could potentially eliminate paying capital gains tax. Consult your tax advisor to see how this might be a beneficial option for you to expand your giving.

4. AUTOMATIC DONATIONS:

For many people establishing an automatic donation can be a great first way to start their giving journey, or to expand their current giving. Generally, any amount can be chosen to be donated on a regular basis (i.e. bi weekly, monthly, quarterly, etc). Many people are amazed how a little each month adds up overtime. Once established it makes it easier to budget and one less thing to try and remember.

5. REDIRECT PRESENT EXPENDITURES:

Often families have significant short-term expenditures for special needs. One example is the large expenditure a family incurs for a child to attend college. A family realizes their daughters would be graduating from college during the two years of the generosity initiative, and as a result, they were able to increase their commitment to the second year of the campaign by giving some of what they had been spending on their daughters tuition. Another example would be the cash flow that is freed up when loan is paid off.

6. MAKE A BIGGER SACRIFICE:

As you prayerfully consider what kind of commitment God wants you to make to the GROW initiative, He might ask you to give up more and wants you to GROW through a bigger sacrifice. This might look like taking a one-week vacation instead of two, selling a "weekend" luxury vehicle and sharing some of the proceeds, or unexpected windfall "surprises" that you share.

YOU MUST EACH DECIDE IN YOUR HEART HOW MUCH TO GIVE. AND DON'T GIVE RELUCTANTLY OR IN RESPONSE TO PRESSURE. FOR GOD LOVES A PERSON WHO GIVES CHEERFULLY.

2 CORINTHIANS 9:7

A FINAL WORD:

Giving does not have to be in equal increments over the two-year period of the campaign. You might be able to give more in a second year than in the first. As you think about your financial commitment to the campaign, think not just of your potential to give right now, but also of your potential to give in the future. It might be that you can make a two year commitment in which 35-40% has given in the first year, and 60-65% it's given on the second year.

Contact kurt@homechurchtx.com if you have any questions or if you would like to set up a QCD or stock donation.

GIVING SCENARIOS

Each of us begins the generosity journey at a different starting point. Here are a few hypothetical situations that may be similar to yours. Each example below illustrates how an individual or family might take the next step - GROWING in their generosity, and how the GROW commitment card could be completed accordingly.

WHICH OF THE FOLLOWING GIVING SCENARIOS FITS YOU BEST?

INTENTIONAL GIVER

Paul and Rebecca have given consistently to the church at a steady 5%. With a combined income of \$120,000, they contribute \$6,000 each year. GROW, however, has prompted them to tithe a full 10%. It will require some adjustments to give \$12,000 a year, but they know it's what God is calling them to do. Also, they've been saving for a boat but have decided to give the \$2,000 in that account as well. They are now planning to give \$26,000 to the church over the next two years.

INITIAL GIVER

Michael is new to the faith and has never given before. He is now starting several spiritual disciplines, including generosity. It's a huge step of faith for him, but Michael has decided to give \$25 per week. Combined with \$500 from his savings, Michael plans to give a total two-year contribution of \$3,100 to the GROW initiative.

SACRIFICIAL GIVER

Anthony developed the discipline of tithing years ago, and he has experienced God's provision again and again. Anthony will increase his giving percentage from 10% to 12% of his annual income of \$70,000, or \$8,400 a year. Over two years, with the addition of \$2,000 from the transfer of stocks that are no longer of interest to him, Anthony looks forward to giving \$18,800 to the GROW initiative.

CONSISTENT GIVER

Jennifer has witnessed changes in her own life through the ministry of the church. So far she has been giving casually if she has extra cash on hand. However, she now feels led to become more consistent in her giving by setting up a recurring gift online. Her plan is to increase her usual annual giving of \$500 by \$1,250, bringing her to \$1,750 a year. With the addition of \$500 from a vacation savings fund, in two years she will have given \$4,000 to the GROW initiative.

LIFETIME GIVER

Judy loves to give of her time, talents, and resources. She has set a lifetime giving goal for herself, and is excited to reach it. She has been giving 15% of her \$90,000 income (\$13,500) to the church in recent years, but is inspired to increase the annual amount to \$15,000. She has been considering the purchase of a new home recently, but she realizes that purchase may inhibit her ability to reach her giving goal. So Judy has decided not to move, and to give her down payment toward the GROW initiative instead.

FAQS

What are you asking me to do?

First, we are asking you to pray and seek God's direction and what He is asking of you. Pray and commit yourself to God's work in your life, to take the next step. Engage in using this GROW Guide to reflect and grow in the Lord share what you're learning with your spouse, families or others about the journey that God has you on.

We are asking that you make a sacrificial commitment to gospel-centered generosity.

Finally, we ask that you prepare to see God's work. Pray to see God work in, and through, Home Church. We are asking God to meet us an unprecedented way and we anticipate that He will awe us in this season as we GROW.

How is GROW different from previous generosity initiatives and capital campaigns?

We are more focused on everyone at Home Church seeing that they're giving as an integral part of the discipleship process and then being challenged by God to take the next step. The bulk of this notebook is focused on helping us dig into key Biblical principles that guide us in this area as we follow Jesus. This is our priority - 100% engagement in the process. Even if someone wrote us a check today for our secondary goal of \$8.35M, we would still do this initiative. Whether we're just starting in our giving journey or we're very committed givers, we all have room to GROW in generosity.

How does \$8.35 Million over two years compared to the current giving at Home Church?

Our current annual budget is \$2.25M, multiplied by two years is \$4.55M. That \$4.55M is included in our secondary goal of \$8.35M. Therefore, we are praying for an increase of \$3.8M over the next two years.

Will Home Church have a mortgage payment as a result of the building project?

If we reach our goal of 100% engagement, we will not need to get a mortgage. Through our faithful generosity, we will remain debt free.

Are there additional ways besides cash that I can give toward the GROW initiative?

Be creative as you explore ways you and your family can give towards GROW. You might have some stocks, property or other items of that nature or you may have stored resources that God has blessed you with in the past that He just might be calling you to give during this time. Please let us know if you need assistance with facilitating gifts of property or stock, we would be happy

to help you. Kurt Unger, our Director of Finance, is able to assist with all such gifts and answer any questions you might have. Contact Kurt at kurt@homechurchtx.com.

What if I have never given to Home Church before?

GROW was crafted specifically with you in mind. GROW is a one fund generosity initiative. It's different from a traditional capital campaign where you are called to give an extra gift above and beyond normal giving thus creating two steps for people who aren't yet giving. GROW is a call to sacrificial, Biblical generosity for absolutely everyone at Home Church. If you've never given before, this is your chance to get in the game with a committed sacrifice. We really hope you will.

Are you sure that you've considered all available options?

We have taken into consideration, many many options. We have consulted with numerous engineers, architects, builders, realtors, the county, Bulverde/Spring Branch, and even TxDOT - making sure we leave no stone unturned as we sought ways for us to GROW. While there might be an option that we didn't consider - we are confident that THIS is what God is calling us to do.

Why don't we just build a bigger church?

We definitely considered it. Prayer was a central part of our due diligence, and as we considered all of the options for building a new, bigger church building, God made it clear to us that it wasn't what He was calling us to do, and that wasn't the church He wanted us to be. We want to do everything, and only, what God calls us to do.

How long is my commitment?

We are asking everyone to make a two year (24 months) commitment. The fulfillment period for your commitment will begin with Celebration Sunday and big offering in March 2025 and will end in February 2027.

What if I am new around here?

GROW is about the vision for our church and our personal discipleship and giving as followers of Jesus. We believe that the local church is one of the most compelling missions to give toward and we would really love for you to join us in GROW. If you are ready for it, this is the perfect time for you to put a stake on the ground and make this your church. The best way to do this is to become a member at Home Church to start this process. Please visit homechurchtx.com/membership for more information on church membership.

What if I don't have a job right now? Should I still make a GROW commitment?

GROW is all about your total, radical, sacrificial generosity to God's mission at Home Church. We believe that God calls us to action in times of hardship just as much as He does in times of abundance, and that looks different for every person. GROW is about a heart change - one that is only accomplished

by surrendering our lives completely over to God in this area of giving and declaring that we are a people who are unfinished. We would like for 100% of us to be a part of GROW so that we can all be supporting, loving, encouraging and praying for one another to the spiritually stretching season at Home Church. That commitment and "stretching" may look different for you in this time, beyond just a financial commitment. You can GROW while trusting God in faith by making a commitment that you don't quite know how to fulfill right now, but that you believe God will provide for - pray and trust God to commit whatever He puts on your heart.

What if I lose my job during my GROW commitment?

In cases of job loss, or other surprising financial challenges - of course your first commitment is to care for your family. We know that God is our provider, so your group, and our church would join you in prayer, and help you in any way we can. Our prayer is that even during a difficult season like that you would still find ways to follow Jesus in your generosity journey. Maybe for that season your generosity could be expressed differently, through smaller financial offerings, or through generously sharing your time, talent, or some other gift.

What if I am severely in debt right now? Am I still supposed to give?

If you are someone currently seeking to make payments to pay off debt right now, we commend you for making progress on that and you should continue to do so. We would be happy to help you in this journey and or to recommend a budgeting class that might minister to you.

Will we have to wait until the GROW campaign is completed to break ground?

Absolutely not. The church leadership has been working diligently to get everything in order so we can break ground in Spring 2025.

Is there a succession plan for when Larry decides to retire?

We have a couple different succession plans in place. We have an "emergency succession plan" in the event there's an unforeseen accident that takes Larry's life or forces him into retirement immediately. We also have a "planned succession plan" in place, allowing a year for a thorough, thoughtful, prayerful pastoral search, then a year of Larry working alongside the new pastor, and then hopefully keeping Larry on - in a part-time capacity for some time after that.

There are no dates on the plan, we don't know when Larry will be ready to step down. When he does, the process will take a couple of years, and that transition will be planned, and slow - not rushed.

THE GROW SQUAD

We're so excited to take this journey of generosity with each of you. There are lots of people that have helped us get GROW going and moving and where we are today. The work hasn't always been easy and there were definitely some normal life events skipped in order to help us plan, set up, break down, write, print, meet, research, and brainstorm strategy. We'd love to give 'em a little shoutout here.

To our amazing staff, who have been asked to take on a lot more work than usual and had to skip more than a couple of meals at home, we want to say THANK YOU! Thanks for being the glue that keeps Home Church and GROW together. Y'all are best! Now back to work!

The GROW initiative has been a labor of love for several volunteers. Without them we literally would not have been able to get this GROW initiative planted (see what we did there?). So special shoutout to Dahlia Quintana and her amazing team for taking the lead on all of our events. Amber Busby thank you for your countless hours of behind the scenes work. Derrick and Tauni Day thanks for letting us use your amazing space. Debbie Childers, thank you for your prayers and helping guide us in prayers for these coming weeks. We see y'all and we love ya!

We'd be remiss if we didn't also give a big ol' Home Church thank you to all of the families of everyone mentioned above. Thanks for letting us borrow your spouse/mom/dad. You should be proud of everything they've done to see this through.
