WELCOME TO FLORIDA

We joyfully extend a heartfelt welcome to our new State Bishop and Sister Aileen! 🌴☀️

We believe the Lord has appointed this season, and we are filled with expectation for all that God will accomplish through their leadership here in the Sunshine State.

Florida is a place of great diversity, vibrancy, and opportunity for the Kingdom, and we are honored to walk alongside them as together we continue to build, strengthen, and expand the work of God.

We are excited for the journey ahead and look forward to seeing the mighty move of God that will unfold in and through their ministry.

Pastoral Care Letter

September, 2025

Dear Pastoral Care Leader,

As we eagerly await the upcoming month, hopefully, we will begin to see the entrance of fall! Where did summer go?? I am so looking forward to a brand new month filled with excitement for all that the Lord has in store for each of us. Speaking of that, as you are aware, we will be receiving a new State Bishop and wife, Bishop Trevor & Aileen Reid this month. I would like to ask you to remember them in your prayers as they get settled into their new home.

We have just come through another wonderful State Convention, and my how the Lord did bless! Hopefully, your pastor was able to attend and they have returned to their church with a refreshed zeal to serve.

Pastors are very hard working and should be recognized throughout the year but the month of October is set aside as "Pastor Appreciation Month." With that in mind you might begin now thinking of ways to be a blessing to the man or woman that God has given each of you.

As always, I can never thank you enough for all that you are doing to be a blessing to our pastors all over this great state. You are loved!!

As a special note, this month was the Birthday
of our new State Bishop Trevor Reid, August 18th
Aileen Reid, March 29th

Yours for Pastoral Care,
Frankie S. Dotson

FRANKIE S. DOTSON
STATE PASTORAL CARE DIRECTOR

Thank You!

Dear Pastor,

It has been my privilege for the past eight years to direct the annual Prayer Conference for the state of Florida.

A few months ago, I shared with Bishop Gillum that I felt the Lord releasing me from this position. I have truly enjoyed leading these Spirit-filled conferences. God has shown up in such a mighty way! Over the years, we have witnessed souls saved, lives delivered, hearts refreshed, and even many healed.

We have been blessed with outstanding speakers, including guests who traveled all the way from Virginia to minister to us. Brother and Sister Renfro, in particular, were such a great blessing.

Thank you for the incredible support you've given me over these eight years. I deeply appreciate every prayer you've prayed on my behalf. Bishop Gillum has now selected a team of six to continue leading the Prayer Conference. Please keep them in your prayers and support them just as you have so graciously supported me.

May God bless you, and thank you for the wonderful memories! I look forward to seeing you at the next conference.

With gratitude and love,
Kay Osban

“The Lord Will Have Compassion.”

Isaiah 9:6-7

“For a child will be born for us, a son will be given to us, and the government will be on his shoulders. He will be named Wonderful Counselor, Mighty God, Eternal Father, Prince of Peace. The dominion will be vast, and its prosperity will never end. He will reign on the throne of David and over his kingdom, to establish and sustain it with justice and righteousness from now on and forever. The zeal of the Lord of Hosts will accomplish this.”

This is a passage that many of you are already familiar with. It is one that is read mostly around Christmas time, as it tells of the coming Messiah who will lead in victory over all sin and death. But its meaning extends beyond just prophesying about Jesus.

In its day, this was a message of compassion and hope for the people of Judah. At the time this was written, the people of Judah were in bad shape. They were poisoned with a long line of Kings who simply did whatever they desired. Rarely was there one who did what was right in the Lord’s sight. God warned them and pleaded with them to turn to him and to follow him, but the word says they still did what was evil in the Lord’s sight.

It had finally gotten to the point where the Lord was tired of Judah’s sin and pronounced judgment on them. They were to be attacked and exiled from God’s presence. And yet, this passage marks a turning point in the Lord’s judgment.

Yes, God had to punish his people for doing what was wrong.
Yes, God’s anger burned against the people of Judah because of their sin.

But there would be one coming who would wipe that all away. Though the people were ruled by king after king who did evil and though they were subject to oppression by foreign kings,

God would send one who would be the perfect king,
who will have a kingdom of righteousness and justice,
who would not allow evil to reign, but would reign over evil.
Who would bring about peace to the children of God and be mighty
in power and deed.

This message marked the end of God’s punishment and the beginning of his rescue plan. No longer would earthly kings corrupt God’s people, but a heavenly one would save and sanctify his people.

So friends, though our sins are many, God’s mercy is so much more. Though there must be consequences for our actions, our Lord saves us and brings us into a right standing with him. Trust the Lord, give him your sins, and receive forgiveness from our Eternal Father.”
