- 4/3-6: Easter Break - No School

*ACADEMIC CALENDAR*

First Baptist Academy senior Student Council members recently had the privilege of attending the February luncheon hosted by the Forum Club of Southwest Florida. The Naples-based organization is known for bringing nationally and internationally recognized leaders in business, government, academia, and public service to Southwest Florida. Each year, the Forum Club extends invitations to outstanding local students, offering them the opportunity to experience its distinguished speaker series and engage with influential voices shaping today's world.

During this month's luncheon, students heard from Evan Greenberg, Chairman and CEO of Chubb Limited, one of the largest insurance companies in the world. Mr. Greenberg shared valuable insights drawn from his decades of leadership in the global insurance industry, along with thoughtful perspectives on international economics and business leadership.

Experiences like this reflect First Baptist Academy's commitment to preparing students to lead with wisdom, discernment, and a global perspective. We are grateful for the Forum Club's continued investment in the next generation and for providing our students with meaningful, real-world learning opportunities.

# Excellence

As we reflect on this past week, we celebrate the excellence displayed across both our Fine Arts and Athletics programs. The Willy Wonka Jr. production stands as a shining example of the dedication, creativity, and pursuit of excellence that define First Baptist Academy. At the same time, our varsity basketball teams continue their playoff run, demonstrating remarkable grit, discipline, and competitive spirit.

We are grateful to see our students using their gifts so faithfully on the stage, on the court, and in every arena — all FOR HIS GLORY.

**Serving Christ. Shaping Minds.  
Sending Leaders.**
