

## Legacy - Week 4

### BIG IDEA

Legacy is built when we give God our first and best—not after the victory, but before. Just like Israel shouted before the walls of Jericho fell, we give in faith, believing that obedience unlocks God’s blessing. Tithing isn’t just about money—it’s about trust, discipleship, and declaring that Jesus is Lord over every part of our lives.

### ICE-BREAKER

- Name at least one thing from this week you have seen God move in a powerful way.

### SCRIPTURE

- Joshua 6:1-5, 17-20 ; Malachi 3:8-12 ; Matthew 6:19-24 ; 1 Timothy 6:17-19

### DISCUSSION QUESTIONS

- What one thing from the scripture or from the message Sunday that the Holy Spirit is highlighting to you? What are you going to do about it?
- What does it look like in your life right now to give God your “first and best”? (Time, energy, finances, trust?)
- Why do you think God asked Israel to shout before the walls of Jericho fell? What does that teach us about faith?
- How does tithing reveal who or what we truly trust? How is it more than just a financial issue?
- Where might you be holding on to something that God is asking you to release in faith?
- Finalize serve day details.
