TALK IT OVER

- Why is it important for us, as a church, to do whatever it takes to reach people who don't yet know Jesus? What are you doing personally to reach lost people?
- What does it mean to personally move from death to life with Jesus, and have you experienced that moment of surrender yourself?
- Romans 6 says we are "dead to sin and alive to God in Christ Jesus." What does living a new life in Christ look like for you personally?
- Baptism is a picture of dying with Christ and being raised to new life. How has baptism impacted your faith, or what questions do you still have about it?
- What's one step of faith God may be calling you to take right now—whether that's baptism, sharing your faith, giving, serving, or another step of obedience?

PRAYER FOCUS

- Give the first name of your "ONE" and pray as a group for each one.
- Celebrate God's faithfulness in this season of WHATEVER IT TAKES. Pray for God's blessing and direction on WHATEVER IT TAKES.
- Pray for all Bible teaching churches to grow through salvations and revival.
