

Immeasurably More Freedom

BIG IDEA

BIG IDEA: The Holy Spirit is the immeasurably more that we receive from God. When you receive and follow the Spirit, you experience immeasurably more freedom! This freedom is from the consequence of sin and the power of sin! To truly experience this, you have to follow the Spirit's guide, not your own.

DISCUSSION

- Ice Breaker :: Pastor Josh told us Romans was the first book of the Bible he ever studied for himself. What was the first book of the Bible you ever read / studied? What do you remember from that time?
- Read the verses listed from Romans 5 and Romans 6. What do you think it means to be set free from the consequence of sin? How does being set free from the power of sin change your perspective?
- Read Romans 7:14-19. Have you ever wrestled with a sin or an issue in this way? How did you find freedom?
- Romans 8 describes freedom that comes from trusting the leading of the Holy Spirit. How do you allow the Holy Spirit to guide your life personally? What would you say to someone new to this idea or to Christianity?
- Galatians 5:16-24 describes the different outcomes from focusing on the flesh versus focusing on the Spirit. How do you keep your eyes on the Spirit? What should we do when we find outcomes of fleshly desires evident in our life?
