

Stories – Blake Williamson

BIG IDEA

Jesus is not only the Author of your story, He is the center of it. Your life story is being crafted by Christ to tell the story of Christ's great redemptive work for you. The question that we have to answer is, "how is your life reflecting the redemptive work of Jesus?"

SCRIPTURES REFERENCED

- Ephesians 2:1-10

DISCUSSION

- **Read Luke 14:25-35.** What is the cost of following Christ? Jesus says that this is a daily cost. How do you daily follow Him? What are some modern day excuses that people use to avoid fully responding to Jesus?
- Spending time in God's word, prayer, and Christian community is essential to on going transformation. How much time do you spend daily with God getting your full attention?
