- **Read John 14:16-29.** What is your experience with the Holy Spirit like? Do you feel more cautious or more curious? Are there any places where you lack the peace of the Holy Spirit that Jesus promised?
- How can you allow God to redeem your past and pains so that you can walk in great purpose? If you are already doing this, share how you are walking in purpose.
- In order to move from pain to purpose, we must walk in Spirit and in truth. How often do you read the Word? How do you hear from the Spirit? Who are you teaching to do this? Who has taught you?
