

Whatever It Takes: Build by Serving!

BIG IDEA

God is building something eternal, and whatever it takes is our invitation to join Him in His work. It is our job to make disciples of all nations by serving. When we serve with the mind of Christ, it reveals the heart of God for His people.

DISCUSSION

- Read Mark 10:42-45
- Interpretation: Immediately after Jesus predicts His death to His disciples, they start fighting over who is the greatest. Jesus responds with this teaching on serving one another. What do you think it means to serve in order to lead, to be a slave in order to lead others in the Kingdom? What does this look like today for the Church?
- Application: How can you lead the way at GCC by serving? How can you lead the way in your family by serving? How can you lead the way in your workplace by serving?
- Read John 2:17 and 1 Chronicles 29:1-5
- Interpretation: What do you think it means to have a zeal for God and His house? What do you think it looks like to live with a delight for God? How do you try to do this in your own life?
- Application: Is there any area of Church or your spiritual life that is lacking in zeal and/or delight? How can we help?
- We believe that Growth Track is for life. Growing in our understanding of God and our gifts is vital to success in the Kingdom. Who has gone through growth track within the last 12-18 months?
