Making the Most of the Days of Our Lives

What would you do if... you only had 24 hours to live?

Ephesians 5:6-15

Every day of our lives should be lived for the glory of God not in the darkness of sin that once dominated our lives.

The question is... how do we do that?

By numbering our days...

We pause to consider how much of our life has already been lived and how much of our life remains to be lived.

We forget the urgency that should come with each and every day of our lives.

Psalms 90:12

By counting our blessings...

I have more than I need.

I have good health.

I have a wonderful family that all love Jesus.

With each one of those blessings comes responsibility for using them in ways that honor God and helps make heaven crowded.

Genesis 12:1-3

He was blessed to be a blessing.

2nd Corinthians 9:6-8

Remember you can't out give God.

By seizing divine opportunities...

Which one did Paul use?

All of us have opportunities given to us by God. We can seize them or we can ignore them. The choice is up to us.

By fulfilling God's purpose...

1st Peter 2:9-10

God saved us on purpose for a purpose.

Philippians 3:13-14

Can we do any less? Should we do any less?
