

# *Listening Guide*

## *Lessons From a Bull Elephant*

---

---

### **Mark 3:13-14**

Now why would He do that? The reason was simple...

Unfortunately, modern day discipleship is no longer about \_\_\_\_\_. It's about \_\_\_\_\_.

Young believers need our voice, our presence, and our blessing as they grow in their faith and understanding.

They need someone speaking into their lives other than social media... because those voices will not move them closer to God but further \_\_\_\_\_ from God.

### **Judges 2:6-10**

Those words serve as an \_\_\_\_\_ against a generation of believers who failed to pass on their faith.

---

---

### **2<sup>nd</sup> Corinthians 13:5**

Young believers not only need our voice... they also need our presence in their lives.

---

---

### **2<sup>nd</sup> Timothy 1:3-5**

Sounds like two ladies that were actively \_\_\_\_\_ in the spiritual growth and development of a young man.

Young believers not only need our VOICE and our PRESENCE... they also need our BLESSING.

Remember the story of Jacob and Esau?

---

---

---

---

Every child wants the \_\_\_\_\_ of his father.

And when he (or she) doesn't get it... it may lead to problems that last for \_\_\_\_\_. Just like it did in Genesis.

So, what are we (the older generation) going to do?

**Develop a \_\_\_\_\_ relationship with God.**

You can't give someone else (like a son or a daughter) what you haven't already experienced for yourself.

**Spend quality time \_\_\_\_\_ your family at home and church.**

---

---

**Practice our faith \_\_\_\_\_.**
