This is the Victory

1st John 5:4 says...

Whatever is born of God overcomes the world; and this is the victory that has overcome the world – our faith.

What is the problem if we are not living a victorious life?

According to this passage it's all about our faith or lack of it.

Romans 10:9

It's possible to miss out on heaven by 18 inches. Because what you said with your mouth was not in your heart!!

But what if you're still struggling with sin?

It's not a conversion problem it's a consecration problem.

Before you became a Christian everything you had belonged to you, but now that you are a Christian everything you have should belong to someone else.

And that someone else is the Lord Jesus Christ.

The key to victory involves saving faith and daily faith.

1st John 5:6

Matthew 3:13-17

Clearly the things they saw and heard influenced what they believed about the Lord Jesus Christ.

1st John 5:6-8

I may never see... but I can listen to the voice of the Holy Spirit that speaks into my heart and mind teaching me all the things I need to know.

And when I do, I'll have victory in my life.
