About Favor City Church

Favor City Church was planted in Henderson, Nevada with a bold vision: ***to help people find the freedom found only in the favor of God.***

The name "***Favor City***" is inspired by Acts 2:47, where the early church is described as having "favor with God and all the people." Just as the Lord added to their number daily, our prayer is that Favor City would be known by the same spirit of grace, growth, and Gospel movement as the early church.

Jesus defines our mission in Luke 4, where He declares the year of the Lord's favor — a message of freedom, healing, and restoration.

God's Work So Far

- Nearly 100 people baptized
- 200+ decisions for Christ
- Ongoing outreach and impact throughout Henderson and the greater Las Vegas valley
- Multiplied by planting another church in the southwest part of the valley.
- Passionate about reaching the next-generation serving an average of 30 youth and 50 kids through our weekly ministries.

Our Beliefs & Partnerships

Favor City Church is proud to partner with the ***Southern Baptist Convention*** for the sake of mission. We use the Baptist Faith & Message 2000 as our statement of faith and actively support SBC causes through financial partnership and as messengers at the annual convention.

We are passionate about multiplying for the sake of the mission and are blessed to have an incredible opportunity to do this with excellence. Pastor Joseph sits on the strategic team of pastors for Send Network Las Vegas, an initiative of the SBC. These SBC pastors are collaboratively leading the charge for church planting across our valley.

We care deeply about multi-generational faithfulness, believing the church should connect the hearts of young and old so that "the mighty works of God will be declared from one generation to the next" (Psalm 100:5).
