Currahee—"Stand Alone" Together
Derived from the Cherokee word meaning "stand alone," Currahee beautifully captures the essence of this unique and peaceful setting. As you arrive, greeted by the fresh mountain air and cool lakefront breezes, it becomes clear why this place truly stands apart. Nestled in the foothills of the Appalachian Mountains and far removed from the noise of city life, Currahee Club provides a breathtaking backdrop to rest, reflect, and reconnect.

In 1942, the U.S. government established Camp Toccoa in this very area to train a new kind of soldier—the paratrooper. Over 18,000 troops from the 501st, 506th, 511th, and 517th Parachute Infantry Regiments trained here during World War II. These brave men would go on to be known as the legendary Band of Brothers. Today, "Currahee" reminds us of their courage and unity. Though the word means "stand alone," it has come to represent the powerful bond shared by those who stand together for a greater purpose.

Sport X Change is incredibly thankful to the John Friddle family for their many years of faithful service and Christ-centered support—especially in their role as co-hosts for the 2024 and 2025 Sport X Change Golf Classic at Currahee Golf Club in Toccoa, GA. Since 2013, John and Pam Friddle, along with James and Andrea Friddle, have joyfully served alongside SXC in sports evangelism through volleyball ministry in Panama, Colombia, and Costa Rica. Andrea serves as our accounting examiner. We're equally grateful for Jeremy and Jen Eardley, whose servant hearts have been instrumental in ongoing key construction projects at our ministry headquarters.

Our Mission

The mission of Sport X Change is to evangelize and disciple through short-term mission outreaches, using sports and other innovative platforms—all for the glory of God. Sport X Change is a Christ-centered, non-profit ministry that has been serving throughout Latin America and the United States since 1960. Founded by missionaries Jim and Diane Gordon, Sport X Change exists to share the Gospel, break down cultural barriers, and build meaningful relationships in unreached areas. For decades, our missionaries have trailblazed through diverse regions and challenges—using sports, humanitarian aid, and mission teams to open doors to share the Good News of Jesus Christ.

Through the work of our dedicated teams, Sport X Change has helped launch discipleship programs, sports clubs, and even churches in several communities. We are praying that your participation in this fundraising golf tournament will be used by God to sustain and expand this vital Gospel work. It is our deep hope that the Lord will continue to raise up like-minded, passionate ministry partners who will stand with us to grow the reach of Sport X Change throughout Latin America and beyond.
