CHILDREN'S CLOTHES CLOSET

1704 Smithland Road, Harrisonburg, VA 22802

We provide, free of charge, donated clothing (newborn through grade 12), disposable baby diapers and baby supplies to needy families. We currently serve close to 500 families and 1000 children in our community.

Our greatest challenge is maintaining our disposable diaper supply due to the growing need in our community. According to the non-profit organization, National Diaper Bank Network, 5.2 million children in the US, ages 3 and younger, live in poor or low-income families, and the cost of disposable diapers is \$70 to \$90 per month, per child. Through our mission, we hope to ease the burden of these costs for struggling families in our area.

We are always seeking volunteers to support us in our ministry. Opportunities include sorting, tagging, and hanging clothing; working with clients as they check-in and check-out; and watching children as their parents shop.

MISSION CENTRAL MEDICAL EQUIPMENT FOR CARING LOANER CLOSET

8335 North Valley Pike, Harrisonburg, VA (Mt Tabor UMC)

Equipment for Caring is a medical equipment closet that opened in 2015. Through research, we realized there was a need for readily available used, durable medical equipment (wheelchairs, bedside commodes, shower benches, hospital beds), so we were inspired to start this program to better serve our community. Our equipment is gently used and donated by businesses and individuals within Harrisonburg and the surrounding counties. All equipment is cleaned upon receipt and safety checks are performed before they are loaned out. We also provide adult diapers, pull-ups, and skin/wound care products. Monetary donations are used, as needed, to repair equipment or purchase adult care supplies. We are always seeking volunteers! Opportunities include cleaning and repairing equipment as well as helping serve customers during hours of operation.
