

### Day 3 — Built Together as God's Dwelling

Scripture:

"You are... of God's household... Christ Jesus Himself being the cornerstone... you also are being built together into a dwelling of God in the Spirit." (Ephesians 2:19-22)

Reflection:

In Christ, we're no longer strangers but members of God's family. Every believer, regardless of background, has a role in building up the church. Jesus is the cornerstone, aligning everything. The apostles and prophets laid the doctrinal foundation. And we, living stones, are being shaped into a Spirit-filled temple.

Illustration:

A master mason once said the cornerstone determined the direction of every block in a building. If the cornerstone was off by even a fraction, the whole structure leaned. Christ keeps the entire church straight, strong, and unified.

Application:

How is God shaping you to strengthen His church?

Where can you serve or encourage someone this week?
