

**January 28, 2026**

---

While it was a real bummer not to be at church together on Sunday morning, I am so glad everyone was able to stay warm and safe. It's amazing how different a week feels when you don't get to worship in person with other believers. I am looking forward to seeing everyone tonight as we continue our study through the Book of Acts and engage in other activities/ministries around campus.

We are already paying close attention to the weather for this weekend, as there is a chance of snow for areas of North Georgia. If there is a change in church service times or a cancellation, we will send out that information as soon as a decision is made. In the meantime, pray for an early summer.

In His Service,

Matt

***Sunday School: Jesus was a true trailblazer—not just for his time, but for all time! Jesus' teachings and way of life often went against the grain of what people expected, showing us a whole new way to live and love. While blazing new trails, Jesus never wavered from the path of following God, and he***

*paved the way for us to follow his lead. In this 4-week series, kids will learn to trust Jesus even when it's not easy, show others the way to God, let God's love take the lead, and pray the way Jesus prayed.*

**February Children in Action (CiA) - Missionary: Nina Griffin**

This month children will learn how God called former teacher Nina Griffin to share Jesus with unreached peoples in Central Asia. She oversees teams of Project 3000 Explorers who research people groups in hard-to-reach places, both from a distance and in person. The goal, both short-term and long-term, is to share the gospel with people who have not yet heard it.
