

Day 3, "Worship in Spirit and Truth"

Scripture: Malachi 1:10–11

Reflection

God declares that it would be better to shut the temple doors than continue empty rituals. Emotion alone is not worship. Activity alone is not worship. God desires obedience flowing from sincere hearts.

True worship is not about style, atmosphere, or appearance, it is about surrender. Worship that pleases God begins on the inside and shows itself through faithful living.

A beautifully wrapped package means nothing if it is empty inside.

Application

Ask God to examine your motives in worship.

Is your focus on Him, or on comfort, routine, or recognition?
