

# Day 3: You Were Made for This

**Scripture:** Romans 1:20

**Reflection:**

God's glory is evident in all of creation. Humanity is without excuse because God has revealed Himself clearly. We were created, not only to see His glory, but also to respond in worship. When we fail to worship God, we are not fulfilling the purpose for which we were created.

**Illustration:**

A musician creates music to be heard and appreciated. In a greater way, God created us to recognize His glory and respond to Him in worship and obedience.

**Application:**

What is one practical way you can live out your purpose of worshiping God today through your actions, words, or attitudes?

**Prayer:**

Lord, thank You for creating me with purpose. Help me to live each day in a way that honors and glorifies You. Amen.
