

## Day 2 — God Does Not Forget

***Scripture: Malachi 3:16–17***

When the faithful in Malachi's day feared the Lord and honored His name, God responded with a powerful promise: their faithfulness was recorded in a "Book of Remembrance." Their love for Him was not overlooked. Their service mattered.

Believers today may sometimes feel unnoticed. Acts of faithfulness, quiet obedience, and daily devotion may never receive recognition from others. Yet God sees every act of love and every moment of loyalty.

Nothing done for the Lord is ever wasted. The smallest act of faithfulness matters to Him. Every prayer, every sacrifice, and every step of obedience is remembered by the God who sees all.

**Reflection: How does knowing that God sees and remembers your faithfulness change your attitude toward serving Him?**
