

Day 3 — From Darkness to Light

Reflection

God has called us out of darkness and into His marvelous light. This is not just a change in destination. It is a complete transformation of life. This transformation is not merely external or behavioral. It is internal and foundational. God changes our desires, our perspective, and our purpose. Our identity shifts from being defined by the world to being defined by Christ.

Illustration

Stepping from a dark room into bright light changes everything you see. The light reveals what was hidden.

Application

Are there areas of your life still hidden in darkness? Bring them before God and walk in His light.

Prayer

Lord, thank You for bringing me into Your light. Help me to walk in it daily and reflect it to others.
