

Shepherding Others Well

Reflection

Peter calls leaders to shepherd the flock willingly and eagerly. Spiritual leadership is not about power, recognition, or control. It is about helping others grow in their relationship with Christ. Every mature believer has opportunities to encourage, teach, and model faithfulness for someone else.

Illustration

A trail guide does not simply point toward the path and walk away. They walk alongside others, helping them navigate difficult terrain and avoid danger.

Application

Think about someone who is younger in the faith than you. How can you encourage, teach, or invest in that person this week?

Prayer

Lord, help me to be an example of faithfulness. Give me opportunities to encourage and strengthen others in their walk with You.
