-From the Pastor's Desk-

"From the rising of the sun to the place where it sets, the name of the LORD
is to be praised." - Psalm 113:3

Summer is a beautiful time in Alaska! It is also our busy time preparing for the children that will grace our presence during Vacation Bible School. The verse above is the theme verse for VBS this Year. "Praise" is one of the great witnessing tools God has given us. Jesus told His disciples that the world would recognize them as disciples as they showed love one to another. One of the "fruits" of that Holy Spirit inspired love is our gratefulness for all Your sacrifice and service. It is a Praise! It is also a testament to God and His love in the unity of purpose and commitment in sharing the Gospel story next week. Thank You and "praise" be to God!

Praise is one of those words that we often read in Scripture but do not take a moment to think about. It is out of our "praise" that we serve Him. This coming week our service should flow out of a heart of praise. Because of His great sacrifice for us what sacrifice could be too great for Him? Because of His first love for us how could we love any less? In Hebrew the word for "praise" is *halal*. It means to burst forth. To pour out. In the Gospel of John we are told out of our innermost being will "pour" rivers of living water. Part of that experience is praise. As we serve this coming week it is our "praise" that people are to see. Our praise is a witness to God out of gratefulness to Him for what He has done for us. We are to shine forth our praise as a testimony to His goodness and grace. We need to share the message of our praise. Our message is a simple one but life changing. It is a divine seed planted that God will nurture and bring forth in His time. We can praise Him for that. "From the rising of the sun" which is in the east to the "place where it sets" in the west. From Sunday night through Thursday evening may our "praise" be the basis of our sacrifice, our service and the message we share. God's very best in the meantime.
