

**TBC WOMEN'S MINISTRY BIBLE STUDY  
MONDAY, JUNE 1, 2020**

---

**SESSION 1: INTRODUCTION**

**MATERIALS NEEDED:** Pencil/Pen, Dictionary, Notebook, and Session 1 Handout

**MY PRAYER:** God will show us Himself in the scripture and as we see Him, we will discover more about ourselves. A full and true understanding of who God is provides an atmosphere where I learn more about me and the unrelenting need for repentance and salvation that will lead to transformation. I am praying that our minds would be transformed according to the scriptures. (Matthew 22:37)

**NOTE:** There is value in failure and confusion if we are willing to humble ourselves and continue to search the scripture for the answers—it is ok to say you don't know. It is not comfortable, but it is an awesome breeding ground for growth. Please, for a few weeks, avoid commentaries and translations of scripture so that we can practice learning to trust the Holy Spirit and other scriptures to help us understand God's word.
