Sept/Oct 2020

Dear co-laborers in the harvest:

Thank you for your patience in the delay of this letter. It has been a busy 4 months although, as for all of you, far from normal! The COVID-19 virus has affected us greatly, with some ministries prohibited, others delayed (some still are), no American groups visiting—it has been strange, to say the least! But through it all, our God has still been glorified with over 320 souls coming to Christ as we have found other ways of getting the Message out. Thank God the Gospel itself is never hindered! It cannot be stopped by a virus! Thank God for our faithful and dedicated Mexican assistants and workers who have carried on.

The border is still closed to us, so I have had the time to get some long-neglected health needs addressed (I turned 70 on 7/31 so I guess it's about time! Ha). I've had at least 10 skin cancer surgeries (I've lost count!) and awaiting two more—1 minor on my leg, the other more serious requiring plastic surgery on my nose (Oct. 8). Please pray.

NOTE****Stolen mail! Any support that would have been received at Friendship Baptist Church September 7-12 was stolen with all the mail from the church's mailbox. Nothing has been recovered. This hurts because that would generally be our best week for monthly support. I am enclosing a list of donors from whom we would usually receive support for that week of each month. Please check this list for your church and handle as you see fit.

BIG CHANGE OF ADDRESS:

LaFe Baptist Missions and we personally will no longer be receiving our support through my son's church, Friendship Baptist of Hixson TN. We sure appreciate the help of Friendship, my son Michael Jr. the pastor, missions director Bro. Jerry Redden, and treasurer Sharon Shane through the years, and Friendship will continue to be one of the largest supporters of LFBM. However, this change will be better in several ways, especially in the long-term financial stability of the ministry, long after I've passed off the scene. This move will also remove a lot of stress from us financially and be of great benefit to our entire ministry of concentrating on souls! LFBM (and we) will now be under the auspices of CROSSING JORDAN MISSIONS of Plant City FL. Rev. Drew Barthle, president of this missions organization, is a long-time supporter and friend of our mission, has visited many times, and truly loves what we do for Jesus and souls. He is a Godly business owner and works out of Bethany Baptist Church of Plant City. Bro. Drew has a huge, generous heart for missions and the lost, and travels extensively to visit and work in the fields associated with his mission.

Our NEW SUPPORT MAILING ADDRESS will be.

Crossing Jordan Missions
5430 Miley Rd.
Plant City, FL 33565

It is a 501C-3 (non-profit) for tax purposes. In the future, make checks out to Crossing Jordan, marked as you usually do (e.g. Mike Combs, LFBM, National Pastors, Hospital or Feeding ministry, etc.). 100% of your contributions go to the field, nothing to Crossing Jordan.

If you have any questions, message us, or Bro. Barthle at 813-545-4083.

Please pray for our church in Puerto Peñasco, our outreach ministries, the border situation, and my up-coming surgeries. We love and appreciate you all!

All for Jesus,
Mike and Brenda Combs
