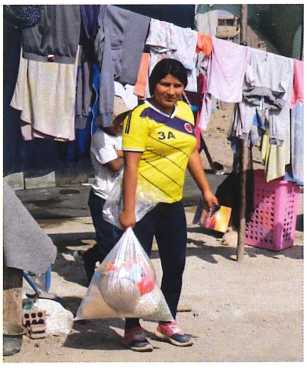
Deuteronomy 31:8 And the Lord, he it is that doth go before thee; he will be with thee, he will not fail thee, neither forsake thee: fear not, neither be dismayed.

Dear Pastors and Praying Friends,
Greetings from our family and The New Life Children's Home!
How encouraging it is to know that God walks with us, no matter what we go through and we can be assured that He is faithful and will go before us.
This year, this virus, and our individual circumstances are no surprise to God. Like so many of you, there have been drastic changes in our lives and our routines, but thankfully we can turn to Scripture and find comfort. No matter what lies ahead we can trust that the Lord has a plan.

Ministry:

Usually during this time we would be sharing with you about the activities and outreaches while out with the missions teams evangelizing in the streets, neighborhoods, public schools, prisons, military bases, etc. But, due to covid all these places (the country) has been shut down and we've not been able to do things as usual. We had over a dozen churches scheduled to join us this summer, but due to the quarantine, those had to be canceled. This didn't stop us from evangelizing and serving in other ways. In fact, we praise the Lord for many new opportunities presented to us during the quarantine. As we shared in our last update we started what we called "Bags Of Hope," taking bags that we (our staff) prepared with food and a Bible to people who literally had nothing and could not even leave their homes to find work. Here are some photos of this ministry. With the help of many of you, we've already feed hundreds both physically and spiritually.



In October we took in 3 more precious children into our Children's Home.

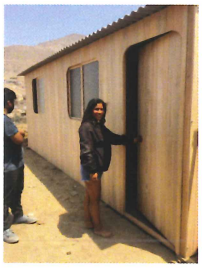
Meet **Luiciana** and **Carolina Rosa** (twins age 5) and their little brother **Cristian** (age 3).They are in need of sponsors. Please keep them in your prayers and that we will be able to meet their physical, emotional and spiritual needs.These 3 children have already suffered so much abuse and heartache in their young lives. Can you imagine the joy and peace they are about to experience (together) with having the influence of godly tutors, teachers, and Christian friends?This is why named it NEW LIFE!!!

Family News

In spite of all the difficulties, disappointments and disruptions we've faced this year, we've also had many more reasons to celebrate God's Goodness.
Zack finished his second year of college and turned 20 in July!
Mikayla turned 18 in July. She also graduated from hight school and started college this year!
Josh turned 22 in August, and graduated from college!
Zane turned 15 in August and just started high school!
Mikey finished college in December and started the world race! The plans were to travel to eleven different countries this year, but due to the virus the program was stopped and everyone returned back home to the US. He is now working in VA. as a counselor and mentor for children. **We are so proud of each one of them!!!**
Thank you all so much for you prayers for our family and ministry!!

Merry Christmas and Happy New Year from our family to yours!

LAST MONTH WE ALSO BUILT SEVERAL NEW SHANTY HOUSES FOR WIDOWS, SINGLE MOTHERS, AND HOMELESS FAMILIES. HERE ARE JUST A FEW PHOTOS OF SOME OF THE FAMILIES AND THEIR HOUSES!



CHRISTMAS AT NLC H:

We are so thankful for every Christmas that we have celebrated at New Life and the amazing experiences that we are able to provide these sweet children with. For most of them it is the first time they have ever received a gift or experienced a Christmas celebrating Jesus' birth.
This year we have a goal of $3,500.00 to raise for Christmas and New Years expenses. This will provide gifts for the 25 children and all the workers at the home, a wonderful Christmas Eve/Day celebration and dinner, and a New Years Celebration as well. If you would like to help us reach this goal please send your gift to CMC marked NLCH Christmas. If you would like information on how to give online you can contact us at perumissions@yahoo.com or go to the CMC website at CMCmissions.org. Thank you in advance for making this Christmas special for the children of New Life!
