

February 2023 Update

To Our Partners in Ministry,

The ministry continues in Zambia while we are on furlough. The churches continue to do well. The Christian School is also in session. The Bible College will be resuming soon. The work at the lake continues to grow. A new church building is going up in an area we have visited several times for the converts there. Please continue to pray for the training of men in the ministry in the Word of God and for the expansion of the gospel into unreached areas.

We are currently on furlough and have been updating churches locally. Please let me know if you would like a personal update on the ministry.

Thank you for your support of the ministry in Zambia!
