Summer Sentiments

It's summertime! Here it means more heat, Sahara dust days and the occasional tropical storm. But it also means mission teams join us from the US! This year we are super excited to have 7 different churches joining us! We will have different community events, including food bags, medical clinic, and school supplies. Always with a primary focus on sharing the gospel and the importance of discipleship.

We had a great visit with a combined team from Harvest Baptist Fellowship in Harrisonville, Mo. and Valley Baptist Church in Grain

Valley, Mo. We saw 35 people make decisions for Christ. We provided 60 houses with food. The team enjoyed visiting the baseball academy and walking the streets. The team gifted the church with 2 new speakers to help project the sound during worship, preaching and movie nights.

5 young people received Jesus as their Savior!

Praises and Prayer Needs

- **Safety and Health for our team here and the teams coming**
- **For the people of Valiente to have favor with the government**
- **Wisdom and compassion to lead our small but growing congregation**
- **Abilities and resources to disciple those from Haiti who speak more French than Spanish**
- **That the electricity grid would be a little more reliable**
- **Resources for a solar and battery backup**
- **For Travis and his family to be together promptly in Alabama now that he has a good job and place for them to stay**
