

THE HART FAMILY IN COLOMBIA

**July - August
2025**

Dear Saints and Faithful Brethren in Christ,

It is with joy we write to you again and share with you how the Lord has been helping us and leading us. We can certainly say with the prophet Jeremiah: "It is of the LORD'S mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness." Lam. 3:22-23.

Keeping Pace With Things

In the beginning of May we were able to have a baptismal service and then Abraham and Dulce headed to Mexico where he would have his graduation and commissioning service. We headed to Bogotá, then on to Pensacola for a brief stay for Hannah and her husband's graduation from PCC. Thank the Lord, they graduated with honors and then headed on to Lynchburg, VA to get ready for the four years of study there. We returned to Valledupar. Thank the Lord, in the first week of June, we had new visitors in the services.

Things To Do In Bogotá

I had several blood tests, a map ultrasound, a video test of my bladder and prostate, and the beginning of some physical therapies. We ended up doing two of the therapies per day, since travel in Bogotá is very time consuming and unpredictable. Please pray as we head into another Presidential election. I was asked to preach on Father's Day in the Church at Chía. I had come down with a cough and a cold.

A Special Need For Prayer

Heading on further into June, Martha's niece and the father of her two children were in a serious motorcycle accident in another department. Her niece was thrown five meters and suffering a slight fracture in her ankle, and the other suffered broken bones in the wrist and fingers of his left arm. I was able to talk to him and share the gospel. Please pray for a true work of the Lord in touching his heart and saving his soul.

Prayer For Various Needs

We hope to have Abraham and Dulce here with us by the middle of July. We thank the Lord that things are well. Bro. Simeon continues to help and serve. In mid-July, I will be seeing the surgeon to evaluate the residual part of the neck surgeries. Also, I will have some physical therapies for my urinary tract and a medical procedure to help with the pain in my back.

Prayer For Moving On

We thank the Lord that Timothy received his diploma from Abeka and plans to attend PCC in August. We are looking forward to leaving the work here in Valledupar in the hands of a young couple the Lord has called. Please help us pray for the leading of the Lord in where He would have us be and what He would have us do.

Thank you for following the Lord's guidance and will in praying and giving. We trust His presence to be with you and His blessings to be upon you. Please continue to pray for our health and safety.
