A Letter from the President of International African Missions

**Thank You for your
prayers and support!**

Hello Gang!

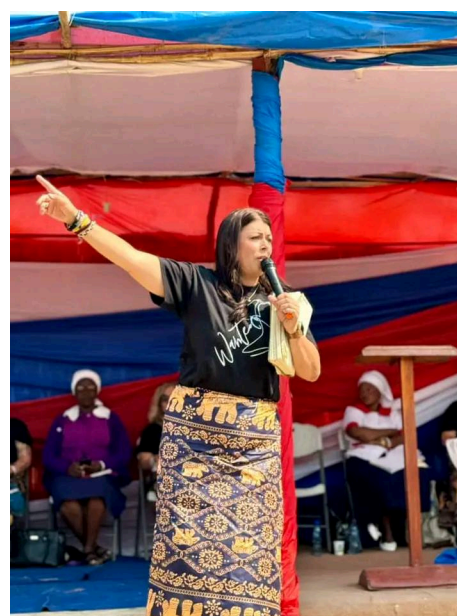

Praise the Lord! I have got a whole lot of good news to share, and my heart is full just thinking about all God is doing!

First and foremost, **the container has officially shipped!** It is on its way and fully loaded with **Bibles**- thousands of them- ready to reach hungry hearts across Zambia and Sub-Sahara Africa. We are believing and praying for a mighty harvest in Zambia!

In my recent travels across the US preaching, we have seen **the Holy Spirit move powerfully**. Just this past Sunday a couple of individuals made the decision to give their lives to **Jesus Christ**. To God be the glory!

On a more personal note- just a few weeks ago, after preaching Sunday afternoon- **my heart stopped**. In those seconds, I truly saw a glimpse of **glory**- a peace this world cannot even come close to describing. The defibrillator implanted in my chest activated **twice**, and by the mercy and grace of God, **I was brought back**. I am still here because **He still has work for me to do**, and I will keep going as long as He gives me breath.

Speaking of the work ahead, I am thrilled to announce that **International African Missions Ministries** is expanding! We are stepping into a new chapter by launching a dedicated **Women and Children's Ministries**. These efforts will be led by two women of God: my

daughter **Angela**, whose heart burns for the broken and overlooked women, and our dear sister in Christ, **Jane Cross**, who has faithfully poured her life into discipling and loving children for years! This is not just a program- it is a calling, and I believe God is going to move powerfully through their obedience.

And there is more. I am also excited to officially welcome **Tommy Brado** as a part of the **IAM missionary team**! Tommy has followed this ministry for years and carries the same heart for Africa. He is coming along side me to train, and will be heading with us this August to the annual conference at Kafulafuta, Zambia! I will be sharing more about his role and upcoming plans very soon.

Please be in **prayer for our mission trip** this August 13th-27th. We are going forward in faith, expecting God to do the impossible- healing the broken, saving the lost, and building His Kingdom. We can't do it without your support and intercession.

From the bottom of my heart, **thank you** for every prayer, every dollar given, every word of encouragement. It all matters, and it all helps propel the Gospel of Jesus Christ forward!

'til He returns or calls me home... here in the power of Christ I stand.

With love and gratitude,
Dr. Bobby Bonner
