LETTERS RECEIVED FROM INMATES

Dear Brothers, I have received the Lord Jesus Christ as my savior and it's a wonderful thing that I made the right choice to let Jesus into my heart. So, I would like to have the first book of Prison Bible School!

-Charles P.

Today I received the Lord Jesus Christ. It was the best feeling I've ever experienced, and that feeling I can't explain to this very day. I'd never felt it before. Honestly, I have been wanting you all to show back up, not for the gifts, but by all means, I wanted the Word. Thank you for sharing it and doing God's work.

-La'Daniel T.

Today I called on the name of Jesus Christ, the Son of God, to be saved and repented of all my sins (past, present and future). I asked for His forgiveness to be saved from the eternal fire of hell.

-Jerome B.

Good afternoon, I spoke to you last week. I want to enroll in your Bible School and earn a degree. I've given my life to the Lord, sir, as I told you, and want to start my own ministry next year when I am released. Thank you so much for taking the time to reach us behind the fence. God bless you. Your brother in Christ.

-Brian P.
