Fall Update & English Club!

Horvaths to Hungary September 2025 Update HU

KALE HORVATH

SEP 30

READ IN APP ↗

Hello everyone!

Fall is here! I'd like to update you about what has been happening in September, and we have several personal and ministry prayer requests for you.

Family

School

Judah's first full month of school is in the books, and he is doing great. We couldn't be more proud of him going to school all day, learning entirely in his second language. It has been a routine shift for us as we learned to navigate

the new schedules and expectations, but I think we are now used to it. He is making friends with the kids in his class and enjoying it. Thank you for praying for him!

Sickness

If you have small kids, you know that back-to-school usually means the beginning of sick season. Our family has been passing around sickness for the last couple weeks. Please pray we can kick this. One thing that people might not consider is that when you have a young church as a missionary, if your family is sick then the church is drastically affected. If I can't preach, there is no sermon. If Brooke can't come, there is no children's ministry. So being sick can be stressful as we prepare for Sundays. So far we have been able to be at church each Sunday this month, so that is a blessing!

Health Insurance

Another important personal prayer request is regarding health insurance. We have had the same international health insurance for 5 years. I received an email this month that the provider will be discontinuing international medical insurance at the end of our contract year, which is in November. Obviously this creates some headaches as we have to now shop for insurance policies, but also it is very disappointing because when we first started with this provider, I signed a 5-year rider that stated they wouldn't cover anything related to my Crohn's disease for 5 years. After the 5 years of coverage, they agreed to cover it. Now, like clockwork, after 5 years they are discontinuing coverage.

I know God will provide for us. He always has. And we have already been in touch with the brokerage that has helped us over the last 5 years. But insurance costs are very expensive, as you all well know. Our cost will go up drastically, and that will be with much higher deductibles too. So that means budget changes, planning, etc.

I'm not complaining, truly. I'm thankful God has taken care of us every step of the way, and I know he will continue to so do. I just ask that you would pray for us to select the right policy and plan for our family, and get the details sorted out this month before our current policy ends in November. Thank you all so much!

Ministry

Guests

Transitioning to church and ministry, we are very encouraged by visitors that we had this month. A man who has been coming to our church for a few months now recently started bringing his girlfriend who has children. Judah and Isaac have loved having those two little girls in kids' class with them the last couple of weeks. They really seem to enjoy it! Their mom seems to like our church too, because each week she brings someone else from her family with her. That has been exciting to see, and I am praying they stick around!

English Club

I am really excited to tell you all that we are planning an English Club outreach event for October 18th! A small team from my home church, First Baptist Church in New Philadelphia, Ohio, will be coming to assist us with the program. We are currently planning a full day event where the morning is designed for beginners, and the afternoon is planned for intermediates and conversationalists. There will of course be lunch, and Brooke is making some American food and treats!

We've been praying about it as a church for a couple weeks, and we just started advertising it this past week. We have flyers, and a large sign outside the church. We have a Facebook event, and all of the information available on our new church website. You can check out more about the event (and our new website!) at this link: **[English Club](#)**.

Please pray for this event! It is our first major outreach to the community, and we are hoping to get some interested guests to come in and join us. We plan to practice English with them, of course, but also hope to make some friendships and invite everyone back to church. Pray that people would respond well to it, and that we would see people register online for it.

Prayers & Praise

- Praise God for Judah doing well at school!
- Prayer for family health and selecting the right new health insurance.
- Praise for returning guests and children in church! Prayer for more guests, and returning guests to continue coming.
- Prayer for the English club. That God would bring interested people, and that we would see guests register online over the next couple weeks.
- Pray for protection from spiritual warfare and unity in the church
- Prayer for God to send us more seeking men and women. For fruit and spiritual growth this year!

Thank you all for your continued prayer and support. I'm excited to see what God does this month with the English Club, and I'll report back to you at the end of October. You can follow us and the church on Facebook as well to see real-time updates.

God bless!
Kale Horvath

Joshua 14:11-12a

As yet I am as strong this day as I was in the day that Moses sent me: as my

strength was then, even so is my strength now, for war, both to go out, and to come in. Now therefore give me this mountain, whereof the LORD spake in that day...
