Life of Discipleship

We held our first ever discipleship conference. Decatur Baptist Church sent a great team to help us teach and minister to our church body. Despite our efforts to reach out and invite other pastors and leaders from churches in the area... God saw fit to use this time to hammer home the discipleship way of life to our congregation. Valiente is tough soil. Many days are spent plowing and sewing seed.

Even while having our “free” day of shopping and tourism several of the team had it on their hearts to share the gospel with some Dominican high school students who were also visiting the area. They often want to practice English so they were easily engaged

with our team and were eager to hear the gospel presented to them in Spanish by Jhony. 3 of them clearly made decision Is for Christ that day.

Of course what trip is complete without a group picture with our young people! We are so blessed to have 4 teenage boys seeking to follow Jesus with their lives! They are a joy to every team that comes to visit!

Prayer Needs

- Preparation details for the next team in November
- Health for Bethany and Baby Cuevas
- Health for Reed and Baby Carter
- God's protection over aging parents

- Jhony's Tia (the one that raised him from age 10) needs to have surgery on a large abdominal mass.
- Need for a translator from Spanish to Creole
- God to prepare 6 preaching locales within Valiente
- 5 new ministry partners for this coming year
