A Church in the Northern Desert Outgrows its Building!

For the past couple of years, Bastián Chacama has faithfully served in a church plant in Vallenar, Chile. It has been thrilling to see many souls saved, families growing in Christ, and their small rented building filled to standing room only most Sundays.

Would you prayerfully consider giving to help us purchase a piece of property for this church? Your gift will make it possible to reach more people with the gospel in the city of Vallenar. If God leads you to partner with this church, please send your gift to: Vision Baptist Missions, PO Box 647, Dawsonville, GA 30534, Memo: Chile Church Planting - Land or give online at visionmissions.com/project-detail/chile-church-planting-land

One HUGE Step Closer to Planting Two Churches in 2026

We want to thank each of you who have given or committed to give toward the two upcoming church plants. We currently have over 50% of the needed funds in hand for the first year! Praise the Lord! In addition to the 2026 projected church plants, we are also currently partnering with Josué Moreno and Claudio Orellana as they plant churches in different regions of Chile. Please prayerfully consider giving a one time offering or a monthly gift to help Chilean pastors plant churches in Chile. You can send your offering to the same address mentioned above - Memo: Chile Church Planting - or give online at visionmissions.com/project-detail/chile-church-planting

Prayer Requests:

1. This month, I have been invited to speak at two missions conferences in Chile. It is a great honor to encourage the Chilean believers about their responsibility to go, give, and pray for world missions!
2. On October 26th, I will be speaking at our first church's 20th anniversary celebration. This will be a special time to remember God's faithfulness over the past two decades!
3. Travis and Teri Snode will be visiting us near the end of the month. They will both be speaking at a couples meeting with all the pastors and their wives.
4. Lori will finish the month by teaching at a ladies' conference in northern Chile.
