

The Kennedy's

& The New Life Children's Home

Greetings from our family and The New Life Children's Home...

"And let us not be weary in well doing: for in due season we shall reap, if we faint not."
Galatians 6:9 We want to express our deepest gratitude for your continued prayers and support as we labor together. Your partnership is a constant source of encouragement and means more than words can express. We are reminded daily that we are not alone in this journey, but that we are upheld by the strength of our Lord and by your partnership. Your faithfulness is an encouragement to us, and we trust that God will continue to bless and multiply the fruit of this labor.

New Life Children's Home.

We have some wonderful news to share about NLCH. We have three children that will be adopted this next month. All their paperwork and their adoptions have been approved and the families will be arriving in just a few weeks. We're so excited for these children and their amazing families! One of the children recently made a decision to give all her pain from her past, along with the bitterness to God, and she trusted in Christ for her Salvation. We are also excited to share that we have taken in two sisters, ages 10 and 3 years old (pictured here), that were abandoned. We now have the great responsibility and joy of sharing the Love of Christ with them and teaching them God's Word. Please keep these children, along with all the others at NLCH, in your prayers...that they may grow deeply in Christ's love, find healing and strength, and have all their needs met. Please also pray for our incredible staff, that do such a wonderful job caring for and teaching all these children. We are certainly blessed to have such a great team of Peruvians to work with and do ministry together. If you are interested in sponsoring a child please contact us at perumissions@yahoo.com

Genesis & Maria

Missions in Motion

This quarter we've hosted several of our supporting churches and missions teams, as we took the Gospel message into the cities, villages, public schools and rehabilitation centers, and many prayed to receive Christ. We've built shanty homes for widows and homeless families practically every week the last three months. This year we even poured cement floors for the majority of the houses, and supplied most with beds and food. Our desire is to show the people here that the church (God's people) care. Most of these areas have no local church. In fact, we are praying for property or buildings to start two churches and we covet your prayers.

Sharing The Gospel

In closing, we hope you've been encouraged by all that the Lord is doing through you, your church's mission program, and the ministries here in Peru. We're deeply grateful for your faithful support and allowing us to be a part of your missionary family! Please join us in praying for all the ministries here, including the churches, school, children's home and the many needs of the children we serve.

If you would like to contact us or find out how you can be a part of this ministry, you can visit us at PERUMISSIONS.COM, write us at perumissions@yahoo.com or call us at (336) 905-0964.

Many salvation decisions

A widow receiving a new home!!
This never gets old!
They are always so grateful.

Taking the Gospel to a new school.
We had a wonderful time taking our food trailer to feed nearly 900 students and teachers lunch, giving them Bibles and sharing the Gospel. Many prayed to receive Christ!
