December 2025 IAM Newsletter

Hello Gang,

As we enter this Christmas season, my heart is full of gratitude for all the Lord has done through International African Missions this year. Your prayers, your generosity, and your unwavering partnership continue to make an eternal difference across the nations we serve.

This month, we ask you to keep Tommy Brado and his family in your prayers as they travel for ministry. Their schedule is full, their hearts are expectant, and their calling remains strong. Pray for protection over every mile, divine appointments along the way, and for renewed strength as they pour themselves out for the Kingdom.

Across Africa, our church planters and evangelists are faithfully laboring in the harvest fields. These men and women are reaching villages, discipling new believers, planting churches, and boldly proclaiming the Gospel where it has never been heard. Their devotion humbles us. Their courage inspires us. And their needs remain great.

As the ministry continues to grow, we are praying for more monthly financial partners who will stand alongside these frontline workers. Consistent support—

whether large or small—helps sustain their families, provide ministry tools, and equip them to reach even more souls for Christ.

Your generosity is not only impactful—it is also 100% tax-deductible. Every dollar you give directly supports the mission and expands the reach of the Gospel across Africa.

During this season of giving, would you prayerfully consider becoming a monthly supporter or giving a one-time year-end gift? Together, we can fuel the work of evangelism, strengthen local leaders, and continue bringing the hope of Jesus to some of the most unreached places in the world.

Thank you for being part of this mission. We are grateful for you, and we pray the joy of Christ fills your home this Christmas season.

With heartfelt appreciation,
Dr. Bobby Bonner
President

IAM Church Planters

Thank you for faithfully supporting our international African church planters and evangelists!

Your generosity is making an eternal impact! Lives are being changed, churches are being carried into places many cannot go. We are deeply grateful for every prayer, every gift, and every act of love you extend toward this mission.

As the ministry continues to grow, we **invite you to consider partnering with our missionaries on a monthly basis**. Monthly support strengthens their ability to preach Christ, disciple new believers, travel into unreached areas, and minister with confidence knowing their needs are covered.

If the Lord leads you to give, **please include a designation in the comment section of the [giving link](#)**. (for example: church planters, youth evangelism, mission travel, or a specific church planter by name). This helps ensure your tax deductible support goes exactly where you intend.

Thank you for standing with us as we bring the hope of Jesus across Africa. Together, we are advancing the Gospel - one soul, one village, one nation at a time.

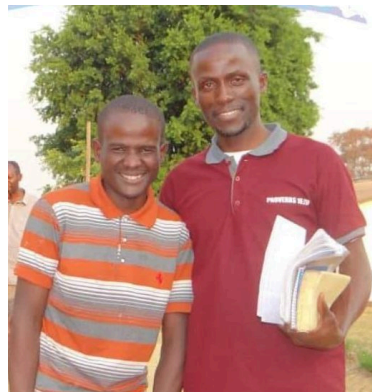

For His Glory Alone,

International African Missions Ministries Team
