Merry Christmas from Boston!

This time of year we are especially thankful for your prayers and support. I wanted to drop a quick note to say that and to update you on some happenings in the ministry.

Praise the Lord! On a very cold afternoon last month, I baptized Darlene *in the Atlantic Ocean*. You can watch it [here](#). Darlene is an example of many who have joined our church over the last few months -- **Sunday we had our largest service ever**. We used chairs from our children's room to fit everyone. Many came and heard that Christmas is a rescue story for those separated from God. The kids blessed us with a modern take on the wise men. Their family members heard the gospel and our growing leaders really stepped up to make sure the service was a hit. Everything from leading praise, to coordinating the kid's play, to sharing their testimony at our Christmas party. These growing leaders are those that have made decisions to follow the Lord as a result of the what the Lord has done through his church here. We are truly blessed!

Bible studies are growing. Please pray that God would envision and develop his people to multiply these around Boston. And here's one of our disciple's, Eric, giving his testimony.

LIVING FAITH BOSTON

Thank you for visiting and serving! We love your visits. This last season we had teams visit from Oakland Heights Baptist (Cartersville, GA), Pleasant Grove Baptist (Moulton, AL), and Living Faith (Lee's Summit, MO).

With their help we were able to host a youth night, a College & Young Adult party, give me and our praise team a week off, **and even got kicked off both campuses of Boston College** -- but not before sharing the gospel with many souls, and hanging several thousand door hangers. I believe we are still seeing the fruit from these trips.

What a blessing! Missionaries **Doug Howey** (Romania); and **Josh & Jerri O'hora** (Toronto) and the mini-O'horas came to see us and share their work. Having them here was a real joy. It is so valuable for our little church to have visitors from around the fellowship.

A Good Problem to Have. We've been in our office building basement for about a year and half. We started with about a dozen souls that first meeting, and have recently been averaging close to 50. We are maxed out at 56 chairs. Last week a visitor complained about not being able to find a seat for her family. Please pray that the Lord would provide wisdom and resources as he sees fit and uses this problem to mature our young church.

Pray for Boston! Your prayers are powerful. Please pray with us:

- For faithful men and women in whom to invest; and for leaders to be envisioned in the work. Pray for key men to be consecrated to the Lord for his work.
- For the Lord to be lifted up and for open doors and boldness for the gospel's sake.
- For open doors for our community groups to boldly cultivate Boston with the bible.
- Pray for the Lord's protection over his church, and for more faith.
- Pray that we can maximize our current space. We are near capacity and trusting the Lord for a plan. **There is a church that is moving next year out of the city and have asked us if we'd like to take over their lease in a larger space.**
- Pray for our baptisms. We've been pretty creative, but running out of options – especially in the winter. A nearby church offered to let us use theirs for around \$1,100/per session. As of now, we are seeing that as a closed door.

- Pray for some of our new folks: Willy & Anna and their 5 kids; Eric & Emily; Peter; Patrice and her 2 kids; Anji; Seena and her daughter; Josh; Khalil; Darlene and her family; Carleton; Lucas; Shirley; Melanie...

Ways you can get involved and support:

Missions Trips. I am looking for partners to come in *spring* and *fall* 2026. We are planning another Evangelism Conference in 2026 and hope many of you can participate.

Give. Thank you for giving! You enable us to have a place to meet and provide for my family to do the work of preaching the gospel, making disciples, and planting churches. Here's how you can give:

- **Support the Work** by going to www.lf.boston/give or send donations to Living Faith Boston, 91 Watertown St., Watertown, MA 02472.
- **Provide for the Building.** Thank you for giving to provide a place to meet! We still need help. As Lord leads you, go to www.lf.boston/give and **click on "building"**. Or send checks to Living Faith Boston, 91 Watertown St., Watertown, MA 02472 and designate, "building."

May God bless you and yours this Christmas season. We will be in Kansas City next week for Mission Focus. If you're there, please reach out. If we don't see you – have a great 2026!

With Love, from Boston – Mike & Meredith Reneau
