

Dear Pastor and Friends,

February passed quickly for us. During the month we celebrated **two years at NPBC**, and we are grateful for how the Lord continues to bless the ministry. One special highlight was celebrating the **baptism of a husband and wife, Mark and Shaday**. It is always a joy to see believers take this step of obedience in their walk with the Lord.

In my adult Sunday School class we are continuing to teach **Baptist distinctives**, and in our Sunday morning and midweek services we are studying through the **book of Acts**. I have greatly enjoyed this study and watching how God teaches His people the importance of the local church. Please pray with us that the Lord would raise up **more laborers and preachers**, and that the men and women attending would step into ministry opportunities.

I am already **five weeks into teaching Personal Finance at BBC**. We have a great group of students preparing for the work. This semester we also have **seven high school students dual enrolled** in the class, three of whom are my own children. It is exciting to see the lights come on as they discover biblical truths, their relevance today, and the difference in a **Christian worldview regarding earning, spending, and investing** as stewards of God's resources.

At the academy things are moving along well. We currently have **two building projects underway** on both sides of the street. On the primary side we are building a **staff prep room**. When it is finished, during the fall break at the end of this month, we will remove a wall to expand our **very cramped Grade 3–4 classroom** into the space currently used for staff preparation. On the opposite side of the road we are also building a **deck behind the library**, which will provide a place for students—and the missionaries currently using the facilities for language school—to sit and study.

Prayer Requests & Upcoming Events

- Pray that the Lord would **provide a qualified principal** for the academy.
- A supporting church, **Eastern Ave. Baptist Church**, will be visiting this month. Please pray for **safety in their travels** and that God would continue to **call laborers into His harvest**.
- **Young Adults Retreat – March 20–21** (Pastor Callen from Eastern Ave. will be the keynote speaker).
- **March 13 – Evangelistic Movie Night** at NPBC

Thank you for your **faithful prayers and support** of our ministry here in South Africa.

Sincerely,

Jeremy and Rebekah Hall
