

THE HART FAMILY IN COLOMBIA

March - April
2026

Beloved Saints Who Pray and Keep The Faith,

Greetings again from Tunja, Boyacá, Colombia. Time is passing very quickly, the world is changing, and the Lord will soon return to earth again!

Thank the Lord, He allowed us to spend the time receiving the New Year in Yopal and celebrate Timothy's 19th birthday before he had to fly back and start classes. He was sick and missed a few days. Now, he has gotten back to the regular run of things.

Medical Tests and Travel

Martha and I had medical exams to do Bogotá. So about mid-January, we had those done. Thank the Lord, Martha's bloodwork showed quite an improvement.

I had a map ultrasound done on my neck and it showed some growth in the nodes that were confirmed in previous biopsies to be carcinoma that the doctors are keeping an eye on. We had been contacting them since November trying to get an appointment to get that evaluated. The surgeon said that he wanted to operate, but it wasn't urgent. We thought they would have contacted us to start getting the paperwork done, but as of now, we are still waiting to hear from them. We are trying to get an appointment to learn more.

Waiting To Have Surgery Scheduled

After the appointments in Bogota, we stayed a few days hoping to schedule the surgery. We were able to drop in at the Church we started there during their time of emphasis on missions. We thank the Lord for the 22 years the Church has been there.

The Church in Valledupar continues to grow and see souls saved. Recently, they have had a service with over 80 in attendance and several Sundays with more than 70. They are evangelizing, visiting hospitals, and being a blessing to the poor. Please help us pray that the Lord provides for their transportation needs.

For a few more weeks, we have been with the Church in Tunja. Martha has taught the ladies, and I have preached and taught the congregation.

Back To Yopal

With our personal things in storage, we returned to Yopal to check on the housing situation to look for a place to live and a place for the Church. Colombia will have Congressional elections in March and a Presidential election in May. It is a time that is usually more dangerous. Please pray for the Lord's help in relocating. Rent and the cost of living are higher there.

Checkup On My Eyes

At the appointment, they checked the pressure in both eyes. The surgery on my left eye had to be repeated, and the same goes for my right eye. I will go back for another checkup in a month, Lord willing. We ask that you pray for our health and safety. As always, thank you for your faithful prayers and offerings.
