Dear Pastor and Church,

This is what I have seen in the last four months.

Livesay Correctional Institution, SC – 3 Saved
North East Correctional Institution, TN – 0 Saved
McRae Correctional Institution, GA – 2 Saved (Women)
Escambia County Jail, AL – 6 Saved
Coffee County Jail, AL – 10 Saved
Santa Rosa Correctional Institution, FL – 48 Saved

If you count all the states that our ministry works in there have been 131 inmates that have professed Salvation in the last four months. Thank you for making all this possible with your prayers and financial support.

Inmate Testimonies

Escambia County Jail, AL

I have had a hard time in my life, and don't have any family in Alabama, so I've felt alone for a long time. After asking the Lord to come into my life to be my Saviour is the first time that I haven't felt alone in a long time. I would very much like to start the prison bible school.

By Faith Through Faith

I'm learning and drawing closer to God and my faith is getting stronger and I'm steadfast in the Lord our Saviour and ready for my next lesson!

Sincerely, Bro David Epps
