Pastoral Ordination at Liberty Baptist Church

With great joy, God has given us the opportunity to ordain Felipe Cerda as pastor of Liberty Baptist Church in Santiago, Chile. Felipe, who graduated from our Bible college in 2024, has consistently demonstrated Christlike character, proven ministry ability, and faithful service, confirming God's call on his life. He and his wife, Romina, have been blessed with three children. I am deeply thankful for the privilege of seeing God raise up men like Felipe who are committed to the Scriptures, dedicated to the local church, and prepared to invest their lives in the gospel ministry.

Our Annual "Multiply Conference"

Each March, we host a conference focused on evangelism, discipleship, and church planting. While the emphasis remains the same each year, we approach it from a different perspective. **This year, we explored the Scriptures' teaching on spiritual warfare in the Great Commission.** Matt and Dalita Goins, missionaries in Honduras, were our special guests. Matt brought six powerful sessions highlighting the victory we have in Jesus, while Dalita spoke to the ladies and shared her testimony of trusting God during spiritual battles. We thank the Lord for how He worked in our hearts and continues to equip us to serve Him more faithfully.

Hosting a Youth Group

One of the privileges we have as missionaries is the opportunity to host groups from our supporting churches. It was on a similar missions trip in 1999 that God began to work in my heart about reaching Latin America with the gospel. In March, we hosted a group of 15 teenagers and 5 adults from a supporting church in Maryland. They visited and served in several churches, attended our Multiply Conference, and were challenged on multiple occasions to live with eternity in view as we visited key sites throughout Santiago, Chile. **Please pray that God will continue to work in these teenagers' hearts as they return to the U.S.**

Notes of Interest

- You may have noticed our updated picture on our prayer letter. Yes, this officially marks the ministry transition into a life with adult children. We are proud of all three and are thankful they are living for Jesus.
- Lori and I will be back in the states for a 4-month furlough starting in April. We have a few open dates and would love to give an update at your church if we are in your area.
