New Monthly Partners for Chile Church Planting

Since 2020, God has blessed the ministry in Chile in amazing ways. The number of young churches being pastored by Chileans has doubled. The number of men and women training for ministry at the Chile Baptist College has doubled. We are thankful for all that God is doing, but **we need more ministry partners!** These needed funds are not for our family, but for the ministry in Chile. We have set up a fund at Vision Baptist Missions called "Chile Church Planting." This is used to fund expenses involved in training and sending Chileans to fulfill the Great Commission. We are thankful that many of you already support our family monthly. We would like to humbly ask you to consider supporting the Chile Church Planting fund also. We currently have 55% of our needed monthly budget funded.

Planting Fund

Any financial gifts can be mailed to Vision Baptist Missions, marked for "Chile Church Planting." You can also set up a recurring monthly gift using this QR code. Please pray about partnering with us. No amount is too small.

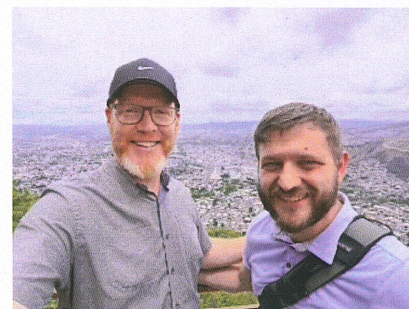

\$14,075 already given for Peace Baptist Church

This month, the congregation of Peace Baptist was forced to leave their rented building after it was put up for sale and sold. We are asking God to provide \$150,000 within the next 3 months to purchase a permanent piece of property for this church in Santiago, Chile. Since sharing the need 30 days ago, God has sent in \$14,075 from 5 different supporters! Praise the Lord and thank you! Please pray about giving towards this need. You can send your donation to Vision Baptist Missions, marked "Chile Church Planting Land Fund."

Highlights from May

- Lori and I spent several days with Andrew and Amber Garcia in Honduras. They are serving with VBM and are in the early stages of planting a church. Please pray that God will continue to use them to make a difference in the capital city of Tegucigalpa (city pictured in the background of this picture).
- Recently, 3 men from Honduras enrolled in our online program at the Chile Baptist College. We were able to meet them during our trip.
- In addition to visiting Honduras, Lori was invited to speak at two ladies' events at churches in California and Rhode Island. I also spoke at 9 churches in Georgia, South Carolina, Tennessee, Arkansas, and Rhode Island.
- With our new hybrid model at the Chile Baptist College, we are able to teach classes online from anywhere in the world. Currently, I am teaching *Introduction to Missions* and *Church History 1*.
- In late May, 128 men from 15 different churches attended our men's retreat in Chile. Praise the Lord!
