PRAYER UPDATE

VOL. 3 | JULY 2026

DEAR PRAYING FRIENDS,

There are moments in this journey when we can clearly see the Lord bringing us one step closer to Scotland, and this month is one of those moments.

These past several months have been filled with opportunities to present the burden God has placed on our hearts for Scotland. We have been encouraged as the Lord continues to add new ministry partners and open doors to churches that have welcomed us with genuine kindness and a heart for missions. Every visit is another reminder that this work belongs to the Lord, and He is faithfully providing exactly what is needed as we prepare for the field.

As we prepare for the months ahead, including welcoming our son, Rory, into our family this September, we are continually reminded that the Lord is faithfully directing each step. We continue to praise Him for His provision and thank each of you for praying, giving, and standing with us. We truly could not do this without your partnership.

PARTNERSHIP UPDATE

One of the greatest encouragements during deputation has been watching the Lord faithfully build a team of churches and individuals that share our burden for Scotland.

"A man's heart deviseth his way: but the Lord directeth his steps."

Proverbs 16:9

We were especially blessed by recent visits with the church families at **Community Fellowship Baptist Church** and **Portland Gospel Church**. Their warm fellowship, encouragement, and heart for world missions were a wonderful reminder that God is bringing together people from many places to be part of what He is doing in Scotland.

We continue to rejoice as new churches and families join us through prayer and financial support. Although there is still support to raise before our departure, we are confident that the God who has faithfully provided every step of the way will continue to supply every need in His perfect timing.

ONE STEP CLOSER

This month marks another significant milestone in our journey. Christopher will be traveling to the United Kingdom to sit for the NMC OSCE nursing examination, an important step toward obtaining UK nursing registration. This is a key part of preparing for long-term ministry and establishing our family in Scotland.

While in Scotland, Christopher also plans to spend time visiting both Glasgow and Edinburgh, praying, learning more about each city, and seeking the Lord's wisdom as we continue discerning where He would have us begin the work of church planting.

We are excited for this opportunity to walk the streets, meet people, and gain a deeper understanding of the communities the Lord may be calling us to serve.

We are grateful that God continues to open doors and faithfully lead us one step at a time.

TRUST ALSO IN HIM;
AND HE SHALL BRING IT TO PASS."
