

COFFEY FAMILY

Church Planters to South Africa

The construction of our new church building has started, but it is currently on hold. The walls are up, but we ran into an issue with the municipality, so we have had to pause the project for now. We are excited about this new space and pray that we will be able to complete it and move in soon. Please pray that the Lord would remove every obstacle standing in the way.

We were blessed to have a great teen group from Harvest Baptist Church in Acworth, Georgia, with us in July. Although they were only here for seven days, they were a tremendous help building bunk beds and desks for Camp Rhino. Our churches also greatly enjoyed having them minister alongside us.

We have another group arriving today from Fellowship Baptist Church in Upper Marlboro, Maryland. Please pray that the Lord would work through them and in their hearts during their time here.

My wife, Amy, had a hysterectomy last week. Her recovery is expected to take four to six weeks. Please pray for her as she continues to heal.

A new semester at our Bible college begins tomorrow. We have three students from Lighthouse Baptist Church enrolled this semester. We thank

the Lord for these young people and are praying that He will continue to raise up more laborers for His harvest.

Updates, Praises & Prayer Requests

Lighthouse Baptist Church has had a wonderful month. We have seen people baptized during each of the past three weeks, and we are thankful to see the Lord continuing to grow His church.

Our Winter Teen and Junior Camps were a tremendous blessing this past month. Several young people trusted Christ as their Savior, and we had a wonderful group of counselors serving from our churches. We believe the Lord saved more than twenty young people during the camps.

Please pray for our daughter, Emilee. She has been with us for a few months helping during our busy winter ministry season. At the end of August, she will return to the United States to continue raising support so she can come back to South Africa as a full time missionary. Please pray that the Lord will provide her needed support quickly.

Special Need

As you may remember from our prayer letter a couple of months ago, one of our South African pastors, Pastor Lubabalo, passed away. He left behind his wife and three children, two of whom are still living at home.

The family is currently living on the property of Madiba Bay Baptist Church, but they need permanent housing. We would like to help raise \$10,000 to purchase a home for them during this difficult season. If you would be interested in giving toward this need, I know it would be a tremendous blessing to their family.

Pastor Lubabalo faithfully served the Lord for many years, and we would like to honor his memory by caring for those he left behind. Our Christian school, led by my cousin Jeremy, will continue sponsoring the children's education, but the family's greatest need right now is a safe and permanent home.
